1st: 1203 STOKES Mr C R Arrowbien Time Traveller At Twizeltree
Stood alone in his class. Puppy dog of 9 months. Still very raw as one would expect.
Head developing OK, dark eye. Little short of neck for my liking. Deep body. In good
condition and coat. Better angulated in rear than in front.

15 months liver male with masculine, head that had got the required chiselling and
the dark eye of almond shape. Good neck and shoulder. Deep ribs and well
developed chest. Well rounded quarters and correct angulation all through. Really
covered the ground and scored in profile gait.

. Nice young dog that has a good track record to date. Masculine in headpiece with
dark eye that is correct in colour and shape. Would like more neck on him to
balance. Good depth through body and well developed brisket. Great legs and feet.
Sufficient angulation fore and aft.

2nd: 1187 HOLT, Ms K & HOLT Miss B Meverly Missionaire To Bethryn
Lovely boy of a compact sort. Balanced head with good dark eye. Good reach of
neck into OK shoulder. Maturing body and strong quarters. Well presented and in
good order. Short rear pasterns. Just a little loose on the move today.

This dog took my eye as soon as he entered the ring. Balanced and looking in good
order. Attractive, yet masculine well worked headpiece with dark eye. Strong reachy
neck into well laid shoulder. Well developed through brisket and deep ribs. Width
through well developed quarters with wide second thigh and strength through stifle.
Acceptable length from hock to rear pastern. Delighted to see him move well to head
this quality class and then to award him the CC and BOB . Group 3.

2nd: 1206 TOPLISS Mrs T E Beresford Special Delivery
Another liver and white male that I have noticed from the ringside and appreciated.
He is more compact than 1 and a shade smaller too. He was put down in good hard

condition with well presented jacket. Although a different style to one there was still much that appealed about him. Would prefer more definition in his headpiece but had a lean muscular neck into well assembled shoulder. Deep compact body. Good turn of stifle and short from hock to heel. Moved in a brisk fashion to take RCC.

6 year old male. As always put down to perfection by a hard working owner. Pleasant head and reach of neck into solid shoulder make up. Depth of rib and well developed loin. Standing over a little more ground than some but showing an elegant outline. Moderate amount of bone and good feet. Moved well but would like more accuracy in front.

One we have seen taking top honours for a long time. Now a veteran at 8 and a half years young. Attractive head, good neck and shoulder. Mature body and well developed quarters. Good legs and tidy feet. Covered the ground well.

Pleasant puppy bitch with a sweet head and reachy neck. Well constructed shoulders. Raw in the body department at the moment but time will be her friend. Moved OK when settled to her task but I would prefer more width in her hind movement. That said she was my Best Puppy today and went on to Group 1 puppy later in the day.

2nd: 1217 WATSON Ms S Bordacity Honey Ryder

Raw baby who again needs time to develop. Sweet girl with gentle expression. Would like more depth throughout. Moved Ok and enjoyed her outing.

Almost at the end of her Junior career this bitch is somewhat immature but that said there are good qualities that can only be enhanced with maturity. On the stack she gave the impression of balance. Reachy neck into well assembled shoulder. Would like more depth and development in her 'middle piece' but well angulated both ends. Moderate bone, tight feet. Moved out well.

2nd: 1214 WALLIS, Mrs P & Mr D & LEVENE Miss A Petranella The Real Deal

Pretty bitch who presents a good shape in profile. Sadly today she had left her 'clothes' at home and stood there before me in her underwear.. Well off for bone. Good legs and feet. Moved happily.

Black and white bitch, compact in body, pretty head which I found balanced and feminine with dark eye which was the correct shape with a soft expression. Nice length of neck into correct shoulder, depth of brisket and well developed ribs.

Straight front, moving well. One feels this bitch could do so much more.

2nd: 1193 MACLEAY Mrs H & Mr S Meverly Misdemeanour For Potrail

Nicely constructed all through. Balanced headpiece with really pleasing expression. Good length of neck into well constructed shoulder. Deep through body. To be picky I would like a little more rear development and a better tail carriage. Looked well in profile stack.

Regarded this to be the class of the day. Lots of quality and places could be changed around easily on a different day.

1st: 1180 CORBETT Mrs A E Trimere Teresa Green

Surprised myself as she isn't what one might take to be 'my style' however – nice sized bitch with balanced head. Good length of neck into well layed shoulder. Firm topline and correct balanced angulation all through. Straight front with tight feet. Would prefer her to carry more 'middle' but her movement won her the class. Her foot fall is accurate and her flowing gait showed off her qualities with great ground covering stride with all the reach and drive one would ask for. Delighted to award her the CC (her second I do believe). Hope number three comes along shortly.

2nd: 1192 LAWLER, Mrs D & LAWLER Mrs C Roqfolly Born To Boogie

Often appreciated this exhibit from the ringside but never had the chance to judge her till now. Different stamp to the winner. Feminine head with good proportions. Slim well muscled neck into correct shoulder. Sufficient depth through body to balance her up. Good spring of rib. Balanced angulation fore and aft. Close decision between 1 and 2 but this bitch just gave the impression that her mind wasn't on the job today and it cost her unfortunately. RCC.

Another very pleasing bitch class with some lovely quality to be seen and my placings here required some hair splitting. Great class.

1st: 1202 SMITH Mr R J Sh Ch Meverly Sophistique

The dam of my DCC. A bitch that has for me improved with age. Her expression has softened and she appeals much more than last time I judged her which just goes to

show that dogs change too. Good size with plenty of quality. Well constructed with balanced angulation, well off for bone, strong feet. Carried her topline well and her well developed quarters provided the power to propel her on a good stride around the ring. Lacked a little muscle tone today.

2nd: 1188 HOLT, Ms K & HOLT Miss B Sh Ch Trimere Tranquiliser At Bethryn Sh.CM

Different type of bitch to 1. Sweet head and expression. Ample strong neck. Well angulated and shown in hard condition. Well presented and handled..

Stood alone but a quality bitch that pleased me. Made a lovely picture stacked and really took my eye. Balanced head and lovely eye colour and correct shape. Neck flowed onto well constructed shoulder. Deep body and well developed forechest which is sadly so often lacking in many of today's exhibits. Ample bone and shown in beautiful condition. Moved like a train.
