Super classic head with good eye colour & shape giving a soft expression on this young tri lad. Strong neck leading to correct shoulder placement straight front with ample fore chest deep all through. Strong thighs with good width and angulation. Moved very well with level topline & tail carriage. Excellent condition & presentation. One for the future. Pushed hard for BD. RBD  
2nd: 1382 BOTT, Mr R P & SAVELL Mrs C Art-wave's Standing Ovation At Allenie (Swed Imp)  
Really liked this flashy l/w young man same attributes apply as 1, a different type to one but he appealed greatly. Just preferred expression of 1 on the day. Excellent presentation & condition. Moved very well.

Strongly made l/w male masculine head with good eye colour & shape ample fore chest straight front tight elbows tight feet. Balanced angulation. Very strong quarters which he uses to power around the ring. Moved very well. Excellent presentation & condition as always from this kennel.  
2nd: 1398 MORGANS Mrs N J Kennair Northern Star  
Honest b/w masculine head which is too strong in back skull for me. He has good eye colour & shape giving a soft expression. Would like more fore chest. Straight front with tight elbows good bone & tight feet. Balanced angulation would prefer more bend of stifle. Shown in excellent condition & presentation. Moved well.
