1st TRIMERE TURNING POINT AT KERRIJOY (MRS K BRENNAN)

very much a baby but nonetheless oozing promise and potential, presenting a very typical overall pattern with a pleasing head, eye and expression, pleasing mover when he settled to the job in hand.

2nd TEMPLECARRIG CATCH THE WIND (MS M KNAPP)

very unsettled on the move so impossible to accurately assess movement, pleasing head properties, friendly and steady temperament, still quite raw but has the potential to grow into a typical specimen.

1st ROQFOLLY INTERMEZZO WITH BORDACITY (MS S WATSON)

lacking a little in condition, a nice size with a pleasing outline and proportions, typical head, would have preferred a little more length of stride and a slightly greater impression of drive and power at the rear end.

1st ROQFOLLY INTERMEZZO WITH BORDACITY (MS S WATSON)

2nd WENARK BACK ON TRACK AT SPRINGDANE JUN CH (MRS S & MISS C & MR K COLLINS & WOODS)

very well handled and presented, superbly conditioned, cast in a somewhat large and heavy mould, lacking work in head and somewhat long in the loin which detracted from his overall symmetry of outline and proportions.

1st MEADOWDALE CASSAPPLE MANHATTAN JW (MR S & MRS J EYEINGTON)

pleasing type and size with typical outline and proportions, well proportioned head with ample work and chiselling, kind eye and gentle expression, strong neck, firm backline, well coupled and strong quarters, active on the move but would have preferred a little more length of stride and a more positive rear propulsion.

1st SH CH MEADOWDALE BANJO JW SHCM (MR S & MRS J EYEINGTON)
CC, good type and quality and superbly presented, steady temperament and did all that was asked of him by his sympathetic handler, strong neck, good flow of neck into top line, firm back line which he held well on the move, good ribbing but quite short coupled, very positive mover but perhaps needing just a shade more length of stride.

2nd CALVDALE GREAT ESCAPE JW SHCM (MR & MRS M CALVERT)
Res CC, masculine dog of pleasing type and quality, of good size and proportions with heaps of bone and a deep and strong body, pleasing rib, good loin and well developed quarters, masculine head with good balance of back skull to muzzle, a little full in eye and with an at times a slightly bewildered expression and not really co-operating with handler when stacked or moving which just took the edge of his chances of a higher placing on the day.

1st TRIMERE TERESA GREEN (MRS A CORBETT)

CC & BOB, has yet to achieve full maturity but felt she was most deserving of her placing and awards in this entry, presents a most typical pattern in outline and proportions, is very feminine in build and outlook, has a pleasing head piece with an excellent eye and expression, strong neck, firm back line, just the right length of loin and moves on a steady and even stride with ample front reach.

2nd TERNSPRINGER HARMONE (MRS L HIPGRAVE)

an honest and typical specimen, free moving and in good condition but not quite the overall quality and appeal of the winner

3rd ROQFOLLY BELLISSIMA VIA BORDACITY (MS S WATSON)

1st CALVDALE HEARSAY JW (MR & MRS M CALVERT)

Res CC, pleasing shape and proportions and a nice size, good ribbing, clean strong neck flowing well into good top line which she carried well on the move, strong and powerful quarters with good drive, moved with a good length of stride although was a bit unsettled in front coming towards me, would have preferred a lightly shorter and broader foreface.

2nd TRIMERE TOUGH COOKIE (MRS A CORBETT)

lovely headed girl, dark and expressive eye, pleasing outline and symmetry on the stack, feminine build and appearance, just not putting enough in on the move today.

3rd IR SH CH CALVDALE CARTE BLANCHE, CW 12, CJW 12, ANCH 13 (MS M KNAPP)
