Thoroughly enjoyed my day where again there are just not enough red cards to go around. I thank my two very efficient stewards and to all exhibitors (apart from one) who accepted my decisions in a sporting manner. Sometimes a judge has to make a choice based on more than just ring performance. I found a marginal improvement with heads and eyes since I last judged although round eyes still feature. On today's showing the strength of the breed is very much in favour of the females. The only down side is still poor movement where too many just don't have the soundness & fitness our breed should command.

Class 377 MPD (3 Entries) Abs: 1 What an enjoyable class to start the day
1st: 1738 MCCOURT Mr K & Mrs L Guinness On Tap At Woodspa
L&W Well off for breed type, he is all male with a well balanced head with width in both back skull and muzzle. A correct shaped eye with good chiselling. Strong neck set into decent shoulders, well boned legs and tight feet. Super ribs, well sprung and deep. Good loin with excellent width of thigh. In super coat and condition. Free flowing, too much at times and I especially liked the sea lion impression when throwing himself to the ground in the challenge!! What a naughty boy, but having fun nonetheless.
2nd: 1712 EDDLESTON Dr M Calvdale Nash Bridges
B&W Nice type with well balanced outline not quite as clean as 1 around the head and throat. Masculine and tall enough at this stage, he will grow in confidence along with the handler. Has all the essentials with a level top line and excellent rear assembly. A sound mover.

Class 378 PD (6 Entries) Abs: 0 2 A puppy class with various stages of development, all 4 performed well and are a credit to their owners.
1st: 1696 CALVERT Mr & Mrs M & N Calvdale Keelman
11 months L&W Impressive outline that took my eye when he entered the ring. Well balanced masculine head with rounded skull. Good fluting and brows with a kind, well shaped eye. Super neck and shoulders, good bone and tight feet. Well ribbed with correct in fill. Short coupled, strong loin with good width. Level top line which he maintained throughout. Correct rear with moderately bent stifles. Flowed around the ring with good forward throw. BPD
2nd: 1709 CROUCHER, Mrs L & NEWLOVE Mrs C Teignvalley Blaser
LW&T Just a shade up on 1 being a tad taller and longer. Very stylish puppy with excellent bone and body. In good coat and condition. Another sound mover. I'm sure he will feature prominently in the cards as he matures.

Class 379 JD (2 Entries) Abs: 0

1st: 1692 BOTT, Mr R P & SAVELL Mrs C Art-Wave's Standing Ovation At Allenie (Swed Imp)

Just over 12 months. An impressive L&W superbly presented with excellent front and rear angulation. Well balanced head with correct eye colour and shape. Crested neck into well angulated shoulders. Solid core, with level topline. Good thighs, well let down hocks. Sound mover. Would prefer a slightly more masculine version.

2nd: 1722 HARRIS Mrs J Magic Od Stroupinskeho Potoka (Imp)

L&W of different type. Masculine head, with good front and legs. A solid, square core, just lacked the rear development of 1 which showed on the move.

1st: 1692 BOTT, Mr R P & SAVELL Mrs C Art-wave's Standing Ovation At Allenie (Swed Imp)

2nd: 1732 JOHNS Mrs L Peasblossom Pioneer

L&W. Masculine head with clean throat. Showing a bit leggy at present just needs time to fill in and develop a coat. Good neck, top line and rear angulation. Has a good stride, but slack in front today.

Class 381 GD (1 Entries) Abs: 0

1st: 1695 BULLOCK Mr J E Trixhund Talking Obsession JW Sh.CM

L&W Head with good width and fluting, would like a squarer muzzle. Eyes are correct shape and dark. Strong neck and good shoulder with deep body and well sprung ribs. Excellent bone and feet. Well ribbed back, could be a little shorter in coupling. Well angulated hindquarters. Just a tad more coat will complete the picture.

Class 382 PGD (4 Entries) Abs: 1

1st: 1693 BROUGH, Ms C & WALKER Mr P Riselawroad No Deal

L/W/T Well presented young dog with excellent muscle tone. Masculine head with good width and well shaped muzzle. Correct eye and chiselling. Excellent neck & bone. Strong body, well ribbed back with muscular loin. Good thighs and rear angulation. He moved with power and determination, he has a great stride length which is free without restriction.

2nd: 1713 ELLIOTT Mr J W & Mrs B O Peasblossom Nemesis with Jonabar

L&W A little less of him than 1, well balanced outline with good head and alert eye. Well off for rib and coupling. He is a nice make and shape overall, just needs more enthusiasm on the move.

3rd: 1762 WHITWORTH Mrs Freworth Polar Express

Class 383 LD (8 Entries) Abs: 3 Again not enough red cards to go around

1st: 1727 JACKSON Mr & Mrs R & F Mompesson Winchester

L&W This dog grew on me as the class went on. He has a very alert expression with good width of muzzle and depth of flew. Good brows, fluting and correct eye. A clean throat and arched neck leading into well laid shoulders with excellent bone and tight well rounded feet. His body has depth, is filled in and ribbed back, well coupled with enough width over a strong loin. His excellent quarters and good muscle tone enabled him move in a free manner with plenty of reach and drive. He was spot on for coat and condition giving him a classic outline. I had no hesitation in awarding him the CC and eventually BOB...Congratulations

2nd: 1697 CALVERT Mr & Mrs M & N Calvdale Zero To Hero JW Sh.CM

L&W Another from this kennel who stamps his mark. Nice size with solid construction throughout. He just lacked the body and condition of 1 today. Has matured nicely since I last judged him. Has gained more strength through his top line and developed good muscle tone, but still feel there is more to come from him in maturity.

L&W Nice size and shape. Good, well balanced cleanly chiselled masculine head, square flews, with kind eye. Strong neck into decent front assembly, with good bone and compact feet. Deep well sprung ribs, short loin and firm top line. Well angulated rear and short hocks. Accurate on the move with good driving action. In the challenge I just preferred the front assembly and overall condition of my CC winner. Res CC

Class 386 MPB (4 Entries) Abs: 1

1st: 1699 CALVERT Mr & Mrs M & N Calvdale Hot Pink

B&W gorgeous head and expression, so feminine. She presented an exquisite outline, so well balanced with depth and width through her core. Super neck, shoulders, legs and feet. Has a fat bum and moderately bent stifles, so well put together. Controlled and sound movement...Loved her. BP

2nd: 1765 WILSON Mr P S & Mrs M A Cassapple Rumba

LW&T larger in outline than 1, but still feminine. Lovely head well balanced with correct eye. Good front assembly and body to suit. She played around on the move and was given a second chance to prove her soundness. Her type suited me better than 3rd and although misbehaving she is a baby after all, enjoying her day out...I personally don't mind that!

3rd: 1764 WILSON Mr R F & Mrs A L Chelmeress Beauty Queen

Class 387 PB (5 Entries) Abs: 2

1st: 1710 CROUCHER, Mrs L & NEWLOVE Mrs C Teignvalley Diavari

Two very nice exhibits who both have a decent future. Preferred 1 as she is just a bit more mature at this stage. Girly head with a kind expression. Clean neck of good length. Excellent front and shoulders and solid, deep body. Level top line held on the move. Good quarters. Sound mover.

2nd: 1717 GIBSON Mrs S & Mr G J Calvdale Rag Nymph

Just a tad behind in maturity. Has a very clean outline, matching all of the attributes of 1, especially good rear with width and strength over loin.

Class 388 JB (8 Entries) Abs: 4

1st: 1749 TERNENT Mr G R & Mrs A Hunterheck Under A Spell

B/W. Super, rounded skull, well chiselled with correct almond eye. Strong, clean neck with good shoulder and upper arm. Well boned legs, would just prefer tighter

feet. Deep body, well ribbed, strongly coupled. Muscled rear quarters with moderate bend of stifle. Well balanced and collected on the move. Loved her type

2nd: 1700 CLARK Mr K & Mrs S Jorobaden Teal at Syferspring

LW&T sweet headed, does not have the scope of 1 being shallower at this stage, however an honest bitch who is a free mover

2nd: 1748 STOKES Mr C R Arrowbien Story Time At Twizeltree

Finer in head, although had better neck and shoulders than 1. Let herself down on the move where she was loose in front today.

She has deep ribs with a slight arch over the loin. Her rear assembly is well muscled and moderately bent. She was beautifully presented in super jacket. Her movement is balanced, sound and collected. A bitch full of natural grace. I was thrilled to award her a third and crowning CC

A lovely feminine LW&T bitch who has matured nicely. Well balanced head, kind expression, nice brows and chiseling with good depth under the eye. Correct length, well shaped neck flowing into good front and lovely tight, compact feet. Decent ribs and strong well muscled loin. Has good rear angulation that she uses with such positive action on the move, getting her hocks well under the body, she flowed around the ring with ease. Not quite in full bloom at present and that's where I felt my CC winner had the advantage in the challenge. Res CC

2nd: 1739 MCCOURT Mr K & Mrs L Ir Sh Ch Woodspa Royal Ascot Sh.CM

Beautiful, L&W bitch in excellent condition. Super head with correct almond shaped eye and kind expression. Strong neck into well laid shoulders. Excellent depth and width of chest, well ribbed up with muscular loin and strength through her quarters. She is a lovely size, well balanced throughout. I preferred the head and flowing action of my Res CC winner and it was a shame that this exhibit met two bitches who excelled on the day, otherwise she would have been right up there in the top awards.
