.I would like to thank the exhibitors for super entry and affording me the pleasure of judging some real quality dogs. I was greatly pleased with my finalists and even more to see our BoB shortlisted after a polished performance in the group.

The breed overall has some outstanding sound springers to move forward with and seems in sound state. There were, however, one or two less desirable traits to be observed in a few, such as over exaggeration in angulation which affects both balance in profile and positivity in movement and a very round eye which spoils expression no matter how dark the colour is as it is staring and not kind.

A very appealing puppy indeed with lovely balance, body and bone for a tender age. I liked his head very much, it having good balance with nothing overdone. His neck and shoulders are elegant, again well proportioned and unexaggerated. A sound happy mover with good positivity behind for a baby. His overall quality and appeal is considerable and he pressed his litter sister hard for her BP award today. Presented to the Nth degree, just beautiful

2nd: 4570 SAVELL Ms C P Petranella Loveable Rogue

a very appropriate name, he has it written all over him, another very attractive baby who was very close up behind 1 and much the same comments apply, a very well balanced quality young man. He was pipped as he was just more erratic and exuberant on the move -not surprising as I understand it was his first ring experience. I am sure they will meet on a regular basis.

A handsome fellow who has suddenly come together as a striking dog. He is of good size and proportion with excellent depth and body. His balance pleases the eye and he moves really well with drive and accuracy. His head is balanced and masculine, with appealing eye and expression. One of those judging day lovely surprises.

2nd: 4579 TAUBMAN Mrs K C Meonstoke Hawthorn

Very close up behind 1 though of different type. A quality lad shown in immaculate condition of both coat and presentation and body. He is handsome with a good head having a gentle eye and expression. A good length neck and well placed shoulders would just prefer greater depth of body but he is still young and has time, just preferred the drive and movement of 1.

### Class 1067 GD (5 Entries) Abs: 1

1st: 4552 MCGOVERN Mrs F Baxbalach Rumour Has It

A very dark liver lad, beautifully balanced and proportioned with sound strong movement which pleased me as I noticed an inclination to drop over the croup but

this was obviously more to do with attitude than conformation. Excellent depth , body and muscle tone again factors in that positive movement. I noted that he had a dark head but looking beyond that I personally would still have preferred more refinement there. Overall a striking profile, typey and quality dog moving with real drive.

This was my class of the day, fabulous dogs showing the best of British in ESS - beautiful, super type and presentation- all made me proud of our breed.

1st: 4531 EYEINGTON Mr & Mrs S & J Meadowdale Cassapple Manhattan JW  
Oh my, this dog stops my heart when I look at him and that does not happen often, he fills my eye completely and when he moved he fulfilled the promise of his conformation. I am not going to dissect him here point for point because it would be tedious to read and hard finding and writing new superlatives. I was remarkably easy and very pleasing to award him the CC and BOB and proud to watch him being shortlisted after a polished performance in the group

2nd: 4593 WARRENER Mr P D & Mrs V L Waterswarren Willy Wonka  
not to be eclipsed by 1 despite that write up I do not want this beautiful dog to be diminished in anyway. He is a very firm favourite of mine and I have watched him maturing into a super example of the breed. He is so well balanced and put together he pleases the eye in profile and then moves with positivity and drive in unity with his handler. His head, eye and expression reflect a kindness of nature true to the breed. He was indeed unlucky to be squeezed out today by the RCC -he was right up there !!

A handsome and striking BW chap with an exquisite head, beautifully balanced and with eye and expression to melt you where you stand. The rest of him matches this, super balance, substance and conformation, correct size and proportion -another that was well up in the considerations for top honours, shown in lovely style and condition. He is a sound and happy mover showing himself off to best effect, driving round the ring.

2nd: 4530 DUNSDON, Ms T & WOODBRIDGE Mrs C Seaspring Shipwrecked JW  
Another top quality young man of lovely size, type and proportion. He has good bone and substance and is slightly longer cast than 1. His head is really beautiful, refined and with correct eye shape and expression, very appealing. He was not as enthusiastic on the move as 1 but did enough to show soundness of construction.

CM Another wow moment, this boy has it all for me as did his kennel mate, super head refined and balanced, his quality and style is undeniable and his nature shines through the physical and translates to attitude and ring presence which is really hard to assess when absent but so obvious when a dog has it. This is the last piece of the picture that makes dogs transcend the 'nice' into the champion. His balance and construction marry his size and substance perfectly and the result is a super dog, a worthy champion. Simply lovely.

2nd: 4588 WALKER Mr S P & Mrs W M Sh Ch Dexbenella It's About Time JW Sh.CM RCC,

What a fabulous boy, another worthy champion from this kennel right up there behind 1, they continually refine and improve which is what we should aspire to do and they certainly have with this boy. Like 1 he too has that extra character and mental attitude that produces our best dogs and turns them into star performers. So close it was truly difficult to pick them apart, merely a whisker apart. He is of great substance and has powerful drive, sound and happy. He has a handsome head, beautifully balanced with fab eye and kindest of expressions.

1st: 4525 CORBETT Mrs A E Trimere Ta Dah

A pretty feminine little poppet, a lovely size and balanced throughout with good rib and depth of body for her tender age. Nicely boned and well angulated without exaggeration. She was certainly the best mover of the babies today which gained her the edge over her brother in the challenge. Tons of style and potential in this little lady. Without doubt one to watch, BPB

2nd: 4548 JENKINSON Mrs K Eastriding Naughty Alice

This naughty Alice although older is one that will take time to flower, she is still quite raw yet but has bags of promise and another to watch. She is very feminine and already has a lovely outline and the sweetest head, elegant neck and correct shoulders. A nice size with everything in the right places, a pretty girl.

Such beautiful BW bitch, very mature for a junior and will soon be pressing the big girls I am sure. Delightful head, eye and expression, a look that reaches into your heart, very very pretty. The rest flows beautifully from that start so well balanced striking a lovely profile. Would like to see a little less roll on the move but should come with harder muscle tone.

2nd: 4533 EYEINGTON Mr & Mrs S & J Kingsheath Kaitlyn Of Meadowdale

Very promising young lady, much of the same comments apply especially in relation to that gorgeous head- so pretty and feminine throughout, it was a very close difficult call between them and I can see them meeting frequently for top honours in the not too distant future. Lovely bone and substance , well bodied for age and has good depth and spring of rib. A lovely quality bitch, stunning profile and superbly presented. Could easily have smuggled either of these two out to my home.

Feminine little bitch with much to please the eye, of correct size and full of quality.

Needed to sort herself out on the move and played up a bit but showed that she had positive sound movement when she settled. Just lacked the finish of 1.

1st: 4589 WALKER Mr S P & Mrs W M Dexbenella Derethea JW

I have loved this little bitch since she was a pup and have watched her blossom into a real beauty, she has enough of everything and too much of nothing, just what the standard calls for 'unexaggerated', but certainly not plain as sometimes happens.

She has beautiful lines from tip of nose to her tail, with a head sweetly defined and with gentle correct eye and expression, she moved with ease and flow. This

Derethea is quite delightful and worthy champion material, I hope others appreciate her understated beauty.

2nd: 4575 SHOVEL Mr M J & Mrs J V Tiverstone Royal Snow

A quality bitch of refinement from another kennel who consistently move on producing good stock. She is of correct size and has nice body and bone/substance appropriate to a bitch. She presents a beautiful profile and moves positively and with drive. Such an appealing head and expression, so feminine and soft. Lovely.

Another gorgeous bitch close up to CC winner for all the same reasons I just love the understated unexaggerated beauty of this bitch, everything in the right places and to the right degree for me. She has such a gentle and endearing head with correct shape eye and expression, her head is balanced and beautifully proportioned showing pleasing fluting and chiselling characteristic of a good ESS head. She was presented, showed and moved well and pressed hard, she is worthy to be a champion and I hope she continues to do well. Quite delightful.RCC

2nd: 4571 SAVELL Ms C P Petranella Gossip Girl JW

She presents a very feminine picture of nice size and proportions lovely balanced profile. Graceful in neck and shoulders with good angulation front and rear which is clearly evident in her positive movement today Like 1 she looked a picture and showed and moved well, in super coat and condition. So much to like about her and so close a decision, I just preferred the head of 1 on the day.

A pretty bitch of undeniable quality even if of a different type to that I find more typical. A lovely head with sweet expression leading to elegant neck and shoulders. She moved well and soundly round the ring like the sh champion that she is. She has a super profile and is well proportioned and balanced throughout.

2nd: 4551 MCCOURT Mr K & Mrs L Woodspa Eucalyptus JW Sh.CM Ir J Ch

A very sweet bitch that consistently pulls out the stops for her owner handler, she is well proportioned and of good size and uses this well when on the move as she confidently drives around the ring. She has such a delightful head with lovely correct, almond eye shape, with good eye colour. Immaculately presented in tip top condition just preferred the overall size of 1.
