Best Junior : WALKER, Mrs W M & WALKER, Mr S P Dexbenella Double Take

Firstly, want to thank the society for inviting me to judge our lovely breed. Secondly to the exhibitors that entered their dogs under me and gave me the opportunity to have my hands on them and took my decisions gracefully. Saying this I do find that the dogs are not the strongest at the moment compared to the bitches and hope this will change in time as we are starting to get back in the full swing of things. We have a lot of quality across the board, but they are being let down by presentation and conditioning. Although not a numerically strong entry the quality was good but do fear for the future in the lack of younger dogs and bitches. We will see what the future holds.

Veteran Dog

1st Bullock, Mr & Lewis, Mr Trixhund Talking Obsession JW SH.CM SHCEx

8-year-old liver and white. He won out in overall style for me. He is a lovely dog for his age. Nice head with correct eye shape and colour. Lovely length of neck into well laid shoulders. Carries himself well on the move showing off nice front and rear assembly and action. Even though there was not a bitch there I was proud to be able to award him best veteran in breed.

2nd Crabtree, Mrs J M Roqfolly Black Label

Different type to one in the whole. This black and white 9-year-old male lacked a little bit of lustre today compared to winner. He has a nice head with lovely neck and shoulders. Keeps a lovely top line stacked and moving. Presented well in lovely condition.

Puppy Dog

1st Chandler, Miss E Elazlan Tribal Craft

Well this very nice young man is only 7 months old but he was a pro already. He is a very nice made dog which was expertly handled by his young handler they were one together. He had a lovely head with a dark eye and melting expression. Very good length of neck into well laid should and a beautiful front assembly. Level top line with lovely soring of rib and nice depth of chest. I loved his rear angles and had great muscle. On the move he was true fore and aft and had a brilliant side profile. I liked him a lot. Held himself against the big boys and pleased to award him the RCC and BPD. Will watch with interest.

2nd Tracz, Miss J Beresford On My Way With Acregate

Another nice dog a little bigger than the first and shame to be against him today. 9-month-old LW male of a different stamp to 1. He was presented in lovely condition and the handler had got him spot on. He had a lovely head and expression. Nice neck into well laid shoulders. Lovely angles fore and back. Moved well. Good luck with him in the future.

Junior Dog

1st Calvert, Mr and Mrs M Calvdale Ever Thus

Preferred the overall type of this male. He has a masculine head with lovely dark eye and a gentle expression. He is a very pleasing dog to go over with lovely well laid shoulders. He has good bone and will say he has lovely legs and feet. Nice top line stacked and moving. He was true fore and aft. He was a great example of the breed and sure he will go forward to great things.

2nd Walker, Mrs W & Walker Mr S Dexbenella Double Oh Seven

He is a lovely dog but preferred the head on 1. He has a good length of neck into lovely shoulders. Has lovely bone and substance to him. He moved well with a good length of stride. He is not overdone in any way, and I am sure he will have his day in the future.

Graduate Dog

1st Gledhill, Mrs Jane Greg De Les Tres Llacunes

Well, this dog is a compact dog, but he is very very nice. He is a quality dog of a lovely type and quality. Eyes could be a little darker, but he has a lovely head. He is right in all the right places. Lovely neck with well laid shoulders. Ample bone and substance, he has a lovely top line when stacked and when moving. When he is stacked makes a lovely picture. He did play up a little on the move which was such a shame. He has nice front and rear angles. Know he could do with a little more all over but could not deny him this class.

2nd Walker, Mrs W & Walker Mr S Dexbenella Double Oh Seven

Post Graduate Dog

1st Morgans, Mrs N Dexbenella Frilled To Bitz

He is a nice LW male. He is nicely made and nice to go over. He was a little nervous and unfortunately played his handler up a little. He can not be denied he has a lovely make and model and on another day there may be no stopping him.

Limit Dog

1st Ainlsey, Miss L and Nicklin Mr L Daenerys Blood of the Dragon

Well it's no secret I have admired this dog from the ringside and he pulled it out of the bag today to take my eye and capture my heart. This l/w male is masculine all through. There is no denying he is made well. Lovely masculine head with dark eye and the most gentle expression. He was presented in tip top condition today you could see they had pulled out all the stops. Going over him his neck flowed into well laid shoulders. Lovely front with ample bone and tight feet. Sturdy straight top line. Lovely depth of chest and spring of rib. He has a brilliant rear angulation with great muscle tone. When on the move he moves with style and has true movement. I could not deny him the CC today his second and know the third will soon come. Would take him home =

2nd Calvert, Mr and Mrs M Calvdale Scaramouche jones

This is another lovely male from this kennel. Shame to come up against 1st today as prefer him in type and stamp. He was a little immature compared to 1 today as well but will easily take his place in the future I am sure. He is well made all through and presents a pleasing outline. He has a very nice head and expression. When on the move he carries himself well and has good front and rear movement. In suer coat and condition.

Open Dog

This was a lovely class full of top quality males from the top draw.

1st Topliss Mrs T SH CH Beresford Night Train

You Can't Deny this is a lovely dog with all things in the right place. He is a deserving champion and all the winning he has done shows. He is lovely to go over. Loved his head and expression gentle when he looked at me but so masculine. He had lovely front construction standing firm with ample bone and on lovely tight feet. he had a lovely level top line which he held firmly on the move. Lovely backend with good turn of stifle and nice length of hock. He moved with ease and style getting his tail up.

2nd Walker, Mrs W & Walker Mr S Sh Ch Dexbenella Atticus Finch SHCEX

Another Lovely Dog that is a very worthy champion. He is a very well made but just a shame to meet the winner today for me. He has a nice head piece with lovely almond dark eye. Nice neck into well laid shoulders. Good length of leg and good angles fore and aft. Carries himself well on the move covering the ground well.

Puppy Bitch

First 3 From the same kennel and you could tell.

1st Ainsley, Miss L and Nicklin Mr L Daenerys Red Priestess

Well, this was her first show, and you could not tell at all. She was just scrumptious I could have eaten her. She is feminine in head with a lovely eye shape. Eye does have to darken but she is young. She has a lovely soft expression. Strong neck into lovely shoulders. Held a lovely top line on the stack and move. She has gorgeous legs of ample bone into lovely tight feet. Not to exaggerated behind. Moves with true springer style and action. Precise on fore and aft movement. I could have taken her home. Delighted to award her best puppy in breed and then to see her top the puppy group was a dream.

2nd Walker Mrs W and Walker Mr S Daenerys Dream Of Spring at Dexbenella

There is a lot to like with this bitch. Shame to come against her sister today but has quality about her. She has a nice head and gentle expression. Well made all through and move with grace and style.

Junior Bitch

1st Walker Mrs W and Walker Mr S Dexbenella Double Take

I have written just my cup of tea in my notes. She is a lovely bitch. Liked her head and expression. Has beautiful length of neck into well laid shoulders. She is a little more compact but doesn't miss anything out. I liked her overall type and quality. She is very nice on the move and could not deny her her placings today.

Graduate Bitch

1st Walker Mrs W and Walker Mr S Dexbenella Double Take

Winner of last class

2nd Simmons, Mrs C Dexbenella Frivolity

Hard up to come against 1 today but this bitch is very nice. She is made well and is an asset to her owner. She was just not as true on the move as 1 today. I have seen her ringside before now and she has caught my eye. She is a lovely shape on the stack and she does make you take a second look. She is put down to perfection and has hard condition. She has a nice head, with a flowing neck into well laid shoulders. Nice angles fore and aft.

Limit Bitch

1st Calvert Mr and Mrs M Calvdale Flutter

Well, what can I say that hasn't already been said by others. She is just beautiful. I could take her home. She has a feminine head with a gentle expression. When she looks at you, she takes your breath away. She has a great length of neck flowing into those well laid shoulders. She has great bone, and her feet are lovely. Good depth of chest with a nice spring of rib. You then get to the back end where she has a lovely bum. Her rear angulation is not too exaggerated, and she just makes the complete picture. When she moves, she holds herself and shows her attributes. She just oozes type and style. I was pleased to award her the CC her second and sure the third won't be far way. Then she took the ring for me to award her BOB and then Delighted me to see her shortlisted in a strong group later that day.

2nd Crabtree Mrs J Wenark May Blossom at Yarlestre

She was a nice 5 year old girl. Just a shame to meet the winner today in my eyes. She has a nice head with nice dark eye. Well laid shoulders, lovely top line and nice angles. Held everything together on the move presenting a lovely picture.

Open Bitch

1st Cokell Mrs H Carlyquinn Kisses Of Fire JW

What a lovely girl this is. She is beautiful condition and presented to perfection. She was handled to her advantage today and was an asset to her handler. She was on point and completely took her place to top this class today. She has a nice head with a lovely feminine expression, good length of neck and is good in forehand assembly. Good ribbing and depth of chest. Excellent bone and neat feet. She moved well in profile and was nice fore and aft. Pleased to award her the RCC today.

2nd Ainsley Miss L and Nicklin Mr L Daenerys Winds of Winter

I don't deny I do love this bitch as well as 1 but lost out on the move today. She is just my type. A neat package all through. She has a beautiful head and expression. Superb length of neck into well laid shoulders. She has a lovely body short in back and well sprung ribs. She has beautiful angles. She holds it all together on the move yet not as well today. She is a beautiful pictured stacked and know she could top the class in future.
