This stunning male was definitely my find of the day & did not disappoint, he took my eye immediately on entering the ring & demanded attention. 4 year old L & W male that gave me goosebumps while going over him & was presented & handled to perfection & not a hair out of place. He has the most fabulous head, darkest of eyes & beautiful expression i simply could not ignore. Well positioned shoulders, deep chested & super spring of rib, a well balanced boy that filled my eye immensely. On the move he was a joy to watch powering round the ring using his super hind quarters to advantage. Delighted to award him Best Dog. He later pulled out all the stops against the beautiful bitch in the challenge where he went on to take Best in show. Many congratulations.
