PD (2) Ab 1.

- (1) Carlyquin Captain Ross. Nice L/W boy up to full height, has all the angles in the right place, nice head, with enough work in the head, soft eyes but need to darken. This boy needs a bit of time, I'm sure he will do well when he bodies up.

JD (2) Ab 1.

- (1) Eastfalla Sherlock Holmes. Compact boy but all there, nice dark almond shaped eyes, good depth of muzzle, good shoulder placement leading into straight front, short coupled moved well.

PGD (3) Ab 2.

- (1) Gleadbury Gunpowder Plot. Loved the head of this boy and overall shape, good almond shaped dark eye, good depth of chest and spring of ribs. Moved well holding his topline.

OD (4) Ab 2.

- (1) Cherishym Dofida. Flashy B/W boy, I've watched him grow into a lovely young adult. Beautiful coat and condition standing on four beautiful feet, nice dark eye with enough work in the head. Good length of neck, good depth and spring of ribs. Short coupled, moved well but just dropped his topline on the move today which cost him top honours. RBD.

- (2) Cherishym Draconis. Brother to number one, slightly longer cast than his brother, again lovely coat and condition, beautiful almond shaped eyes that are starting to darken. Good depth and spring of ribs moved well fore and aft.

VD (1) Ab 0.

- (1) SH CH Meverly Top Geezer. Stood on his own but what a lovely boy. Excellent head, nice almond shaped dark eyes with good depth of muzzle, leading into good length of neck. Excellent shoulder placement,

leading into straight front. Beautiful feet, good depth and spring of ribs, short coupled leading into a good bend of stifle. Moved well keeping his topline. BD,BV & BOB.

PB (7) Ab4.

(1) Daenerys Moondancer to Cherishym. Feminine head with correct amount of work, beautiful dark almond shaped eyes for one so young. Good length of neck, short coupled, good bend of stifle, moved well around the ring. BPIB.

(2) Melverly Vignette. 1&2 different style of bitch, first time out baby but stood beautifully when going over. Feminine head with deep muzzle, with the right amount of chiselling. Good depth of chest, short coupled with straight topline a little erratic on the move but only a baby.

JB (4) Ab2.

(1) Trimere Taylor Maid at Pinhays. Liked this bitch a lot, ultra-feminine with enough bone, beautiful head with the correct amount of chiselling. Lovely almond shaped eyes giving a melting expression, excellent length of neck, with nice straight front, deep body, short coupled with good bend of stifle, moved well around the ring.

(2) Trimere Turn back Time. Slightly bigger bitch but still a lot to like, with feminine head and good shaped eyes. Paints a nice picture on the stack, short coupled, good bend of stifle, moved well.

PGB (4) Abs 2.

(1) Trimere Time Flies. Good outline to this bitch, head ultra-feminine, good depth of muzzle, soft almond shaped eyes which need to darken a little. Good depth of chest, nice deep body, short coupled, moved well around the ring, just needs to tighten a little on the move.

(2) Cobhay Fancy Phlox. Different style of bitch to one, lovely head with enough chiselling, adequate length of neck, straight topline standing and on the move. Would like to of seen her little more aminated when moving around the ring.

OB (5) Abs 3.

(1) SH CH Trimere Tickle Me Fancy. Certainly, out of the top draw, quality flashy bitch, excellent head and so feminine, leading into good length of neck, straight front, good depth of chest and spring of rib, short coupled with a good ben of stifle. Lovely to watch moving around the ring with power keeping her topline.RBB.

(2) Clentonian Pandonium JW. B/W bitch with a lovely soft expression with nice dark eyes. Beautiful well padded feet, looks good on the stack, excellent muscle tone in 1<sup>st</sup> and 2<sup>nd</sup> thigh, straight topline. Movement, just needed to power a little more around the ring to show the strength in the rear.

VB (5) Abs 3.

(1) SH CH Bordacity Honey Ryder. You need to get your hands on this bitch to appreciate her. Everything in the right place. Not as flashy as my open winner but has everything going for her.Ultra feminine head with

correct chiselling. Lovely almond shaped dark eye with good depth of muzzle. Enough length of neck with straight front. Good depth to rib and short coupled with good bend of stifle. Moved well around the ring.BB.

(2) Cobhay Dazzling Azalea. Unfortunate to meet number one, nice head with that soft expression, good front, nice deep body, enough bend of stifle, moved well for and aft.
