Many thanks to the SKC Committee for my judging invitation and for their kind hospitality and to my two efficient stewards. We had a large ring which gave me the opportunity to assess the movement of exhibits in full. I was very pleased with the overall quality of my entry and my thanks go to all the exhibitors in all three breeds.

PD (1) 1 Calvert's Calvdale Ever Thus. Really liked this 11 month old puppy, what a showman he is, absolutely full of breed type, extremely outgoing temperament, loved his head and expression, he is totally balanced throughout, well off for bone, good feet and puts on a fantastic performance on the move, displaying excellent reach and drive. BP.

JD (1) 1 Calvert's Calvdale Scaramouche Jones. Another quality youngster from this kennel who is so clean and balanced in outline. He has the most appealing head with kind expression, wide nostrils, good depth of flew, clean neck leading into excellent forequarters, deep brisket, strong topline, muscled hindquarters. He was presented in excellent coat and condition. He moves at exactly the right pace for the breed, keeping the correct head carriage, retaining the strong topline, and with precise footfall. I could not deny him the CC today.

PGD (2) 1 Casey & Jayes' Sandylands Xpress Delivery. 20 month old who is full of quality and of good breed type, with a super head and expression, clean neck of good length into well laid shoulders, balanced quarters fore and aft, strong topline and tail set, presented in good muscle tone and coat. Moves on the right track and has an easy action in profile. RCC.

2 Ganarin's Berkenbar Giovanni. 4 year old masculine dog, longer cast than winner, good head and expression, good body proportions, he just kept dropping his topline, presented in good coat, moved ok.

LD (1) 1 Jenkinson's Eastriding Royal Black. 2 year old of good make and shape, pleasing head and expression, balanced quarters fore and aft, he has a very outgoing temperament, and was presented in excellent coat and condition, would prefer a little more development in the forequarters, moved well.

OD (3) 1 Topliss' Sh Ch Beresford As Good As It Gets. Mature dog of good breed type, balanced in outline, he has a good head and expression, he was just carrying a little bit of weight today. Firm in topline. Moderate rear angulation. Accurate mover on a decent stride.

2 Jenkinson's Eastriding Royal Mayfair JW. Another mature dog who is of good breed type, he has a masculine head, and is slightly stronger in skull than winner. Good bone and feet, well sprung ribs, firm topline. Covers plenty of ground on move.

3 Rose's Westaway Dream Angus Of Rosannoch (Imp Nor).

PB (2, 1) 1 Calvert's Calvdale Pure Theatre. 11 month old baby and I see litter sister to my Best Puppy, she is very outgoing and has her own mind. She has a beautiful head and cheeky expression, good ear set. Straight forelegs with good bone and feet, she is developing nicely for her age, good tail set, very sound on the move.

JB (2) 1 Calvert's Calvdale Flutter. Quality young lady, and I see litter sister to my Dog CC, she is further forward in development than second. She is extremely balanced in outline, beautiful head of correct proportions, very alert expression and well set ears, strong neck of good length into super forequarters, good bone and feet, strong topline and tail set. Muscular hindquarters with developed second thigh. She really excels on the move with super profile movement. RCC.

2 Corbett's Trimere Time Fly's. Another quality young lady, slightly longer cast than winner, pleasing head and expression, clean neck into good lay of shoulder, straight forelegs, good bone and feet. She did just drop her topline at times, presented in super coat and condition. Super on the move and uses the ring to her advantage.

PGB (4, 1) 1 Casey & Jayes' Sandylands Send The Roses. 20 month old bitch of super make and shape and full of breed type, and I see she is litter sister to my Dog RCC winner. She was presented in outstanding coat and condition. Feminine head with soft expression, I would just prefer a little more width to foreface, clean neck into good forequarters, strong topline, muscled hindquarters. Moved with excellent reach and drive and very sound both coming and going.

2 Fairgrieve & Fairgrieve's Alkaruss Forget-Me-Not. 3 year old who has a lovely head and expression, she is a little upright in her front assembly. Well developed ribs, level topline, good coat, good hind angulation. Moved ok but just lacks front extension.

3 Carr's Alhambian Kirsty MacColl.

LB (4) 1 Topliss' Sandylands Send My Love. 20 month old substantial bitch, see she is litter sister to my PG winner, good head and expression, straight forelegs with plenty of bone. Clean neck into good lay of shoulder, well developed body proportions, strong muscular hindquarters which she uses so very well on the move.

2 Dobbin's Donarden Gin Fizz. 3 year old who is quite a compact bitch, feminine head and gentle expression. Well sprung ribs, firm topline, muscular hindquarters, could do with tighter feet and shorter nails. Presented in good coat and moved well.

3 Jenkinson's Eastriding Glam Princess.

OB (3) 1 Corbett's Sh Ch Trimere Taylor Swift. This quality bitch is so full of quality and breed type and one who I awarded the RCC to as a youngster, well she has certainly fulfilled her earlier potential. Super balanced outline, beautiful head with lovely dark eyes and super expression, well set ears, strong muscular neck of good length into correct lay of shoulder, strong topline and correct tail set, strong well muscled quarters. She is really sound on the move, displaying excellent length of stride when viewed in profile and is so true both coming and going with perfect footfall. CC & BOB and pleased to see her shortlisted in a strong group.

2 Havard's Sh Ch Trimere Time To Shine Among Annavah. I see that first and second have the same sire, I preferred the head on winner, but similar remarks apply, presented in super coat and condition, good bone and feet, balanced fore and aft. Moved very well keeping her topline at all times.

3 Topliss' Sh Ch Beresford Night Class.

VB (2) 1 Watson's Sh Ch Bordacity Honey Ryder. At nearly 8 years old this young lady certainly belies her age, super make and shape and so full of breed type, Lovely head, eye and expression, strong, muscular neck into good forequarters. Deep chest, firm topline. Muscular hindquarters, moves well on a good stride BV. Pleased to watch her placed third in the Veteran Group.

2 Ramshaw & Ramshaw's Calvdale Classic Blend. Another 8 year old who was a little overweight, and a little wide in front, pleasant head and expression, moved ok.
