Best Veteran : BULLOCK, Mr Jason & LEWIS, Mr Daniel Trixhund Talking Obsession JW Sh.CM ShCEX

VD 2(0) 1. Bullock/Lewis' Trixhund Talking Obsession JW ShCM. This 8 year old was smart and stylish, he is clean and sound in outline and construction, pleased in head, good forehead, bone and has firm top-line at all times, in grand body and coat, lovely mover, BV. 2. Murdoch's Roqfolly Spectre. Not as masculine in head as winner, arch to neck and flows through top-line, just right for body, could have a little more muscle behind, well presented in good coat.

MPD 1(0) 1. Chandler's Elazlan Tribal Craft. Only 7 months old but he has it all in skeletal construction and body with muscular definition, gorgeous head, total balance, just right for size and coupling, he was presented in super coat and responded to handler well, delighted to award him his first RDCC & BP, well deserved.

JD 2(1) 1. Calvert's Calvdale Scaramouche Jones. 17 months and the quality I would expect from this kennel, correct skull, well set eyes with a friendly confident expression, quality bone and tight arched feet, well sprung rib to developed loin, immaculate presentation and went with sound action when he thought about it.

ND 1(0) 1. Thomas' Tigerrock Ocellatus. Happy dog of pleasing size, he has balance of bone, clean head piece, would prefer more spring of rib, worked well with handler on the move and in good coat.

PGD 2(0) 1. Morgans' Dexbenella Frilled to Bitz. Balanced and shapely, pleasing head piece which is clean and balanced with good ear set, decent forehead, body shape and coverage, well presented coat. 2. Terry-Richardson/Richardson's Cherishym Draconis. Not just as appealing in head, has good bone, was well presented in lovely coat and just right for body.

LD 6(0) 1. Casey/Jayes' Sandylands Xpress Delivery. Headed a lovely class, yet stood away for me, he presents a totally typical balanced picture of masculinity and just right for size and shape, in hard fit muscular condition and has personality plus, handled to advantage, true out and back and excels on the go round, even better in the big group ring, DCC, BOB & Group 1. 2. Topliss' Beresford Lockdown. Very smart dog, who is all male with clean lines, lovely head and eye, he has lots of quality and shows how well constructed he is with his sound movement with good footfall and easy ground cover. 3. Jenkinson's Eastriding Royal Black.

OD 4(0) 1. Allen/Bott's Sh Ch. Trimere Tipping Point of Allenie. 2 years and a super ESS in all departments, he has a gorgeous head with appealing outlook, has bone, body and balance, in super body and with appealing outlook, has bone, body and balance, in super body and muscle, he did tend to give his handler a bit of a hard time but footfall was accurate to win here, excellent presentation. 2. Thomas' Tigerrock Super Ted. Smart and much to admire here standing, he has a beautiful head, flowing neck and stands on well boned legs and tight feet, good balance and shape to body, well set tail, in lovely coat, he was just throwing himself around on the move rather today. 3. Topliss' Sh Ch. Beresford As Good As It Gets.

VB 1(0) 1. Gibson's Calvdale Rag Nymph. 7 years with pretty head of correct proportions, just right for weight and size, decent bone and well sprung ribs, on the move started off pacing but did get it together to put on a tidy performance.

MPB 2(0) 1. Jenkinson's Barecho Fame Queen at Eastriding NAF. Correct skull, lovely expression from well set eyes, has good ear placement, arch to neck flowing through good shoulders, quality bone and feet, correct rib and short loin, firm back, worked the ring to display sound lively action. 2 Terry-Richardson/Richardson's Daenerys Moondancer to Cherishym. Good bone and decent forehead, a touch longer in loin than winner, she has type and should come on well, worked with handler nicely.

JB 4(0) 1. Corbett's Trimere Time Fly's. Not an easy winner and had to be on form physically and mentally to step over the line into first, however she just has the perfect forehead which allowed that easy reach on the move, easy to pick holes but it was a close run thing. 2. Calvert's Calvdale Flutter. Did nothing wrong and has the most beautiful head, both were good representatives of the breed and this breed therefore is in a strong position which is great for the future. 3. Kibby's Trimere Turn Back Time.

PGB 2(1) 1. Keely's Alhambian Amy Winehouse. A proper solid sound ESS, she has quality and type in abundance with so many breed features, lovely head, clean strong neckline, correct angulation fore and aft, well sprung ribs to firm loin and rounded rump, a lovely sort working the ring well.

LB 4(1) 1. Casey/Jayes' Sandylands Send The Roses. Notice sibling to my best of breed and similar remarks apply, again she scored on the move from sound construction and excellent carriage from a great personality, both her and her brother should easily make up. 2. Jenkinson's Eastriding Glam Princess. A beautiful Springer with gorgeous head and so well put together, fit and everything to appreciate here, sound and well handled on the move, just not quite the department of the winner. 3. House's Gleadbury Dynamite.

OB 5(1) 1. Corbett's Sh Ch. Trimere Taylor Swift. Well built bitch and totally feminine, can't actually recall seeing her before but recognised the name, she put up a polished performance totally at one with her handler (and she had to) to win this class and the CC, no need to mention type and soundness as this was in abundance in this class, BCC. 2. Keely's Shipden Alhambian Diana Dors. Dare I say a real 'old fashioned' bitch, quality in plenty, fit hard and doing all asked, she is lovely, RBCC. 3. Topliss' Sh Ch. Beresford Night Class.
