Judge Jane Cule

I would like to thank the Crufts Committee for a very memorable day and their very kind hospitality. There is also a big thank you to my two Stewards, George and Sharon Rose.

What an honour this was to judge a favourite breed of mine, and I thank the Exhibitors for such a lovely entry, though I would like to make one general comment on teeth. I found a few teeth misplaced and some bad mouths. Also the teeth are very small, now this is not fit for function. The standards states "a scissor bite".

However "Good Sportsmanship" made my day complete, thank you.
