1st: 5445 HAY Mr J & Mrs M N Tralay Blackjack Well balanced head showing required fluting and adequate stop. A dark eye giving a lovely soft expression. Well bodied, good angulation in front but would prefer a little bit more in the rear. Moved well holding topline.

Class 1835 MPD (1 Entries) Abs: 0

1st: 5443 GREGORY Ms L Arcadia Alfa Romeo A young lad who challenged his handler. Head still to break but does have the classic dark hazel eye and correct ear set. Good width and depth of chest and a well sprung rib. Moderately angled both front and rear. Movement a bit erratic today but once settled was ok.

Class 1836 PD (3 Entries) Abs: 0

1st: 5438 DUNSDON Ms T M Meadowdale Luther Vandross At Seaspring Lovely head, length of foreface balanced to length of skull. As you expect with a Black and White he has a lovely dark eye but he also has the correct almond shape eye to give that soft melting expression, Neck has slight arch which flows into well laid-back shoulders. Would prefer a slightly longer upper arm. Good depth and spring of rib. Strong loin which helped to give a strong topline both standing and on the move. Moderately angled rear assembly with good width of thigh. Moved well for a young boy. BPD

2nd: 5440 GRAHAM Mrs S Peasblossom Valentino Good sized young man. Eyes still to darken but are a good shape. Well boned for one so young. Good spring and depth of rib. Thighs still to develop. Gave his handler a hard time on the move but what I could see was ok.

1st: 5437 CLARKE Mrs C L Tigerrock Let's Rock N Roll A masculine boy, the stop is a bit deeper than I would normally like and eyes could be a bit darker. Very well presented and in excellent coat. Plenty of bone and neat feet. Well sprung ribs which go into a short strong loin. When stacked he showed a good level topline but lost it bit on the move. Possibly if moved a little slower he would hold it better.

Class 1838 PGD (4 Entries) Abs: 1

1st: 5459 ROSE Mrs E Westaway Dream Angus Of Rosannoch (Imp Nor) An excellently presented lad. Head a little broader than I would normally like. Well boned straight front with good width and depth to chest. Good angulation both in front and rear giving a balanced outline. Well developed rear especially in 2nd thigh which some lack in. Great mover showing plenty of reach and drive and holding topline.

2nd: 5462 TERNENT Mr G R & Mrs A Hunterheck Turn Back Time Preferred his head to 1 not as strong but still masculine. Enough bone and has good depth and width of chest. Sufficient angulation both fore and aft. Would have preferred him to carry a little more weight to reflect the body and substance of a young male. Moved ok.

1st: 5447 JACKSON, Mr & Mrs R & F & JACKSON Mr B Mompesson Devonshire What a handsome boy! A masculine head with a great eye shape and colour showing that classic soft expression. Shows a strong straight front with plenty of

bone. Well laid-back shoulders with a good length of upper arm to show off his great forechest. Good width of chest allowing front legs room to move over his well sprung ribs. A well-developed rear end with excellent muscle tone especially in the 2nd thigh. Showed well on the move with reach, drive and enthusiasm. DCC

2nd: 5435 BOTT, Mr R P & SAVELL Mrs C Sh Ch Art-wave's Standing Ovation For Allenie (Imp ) Another excellent dog. Beautifully presented and expertly handled. A balanced head with correct almond eyes and lovely dark hazel in colour. Well balanced whichever way you looked at him. Coat is a little harsher but still had a depth to the coat and plenty of furnishings.

A good strong rear which he used well on the move, today I just preferred the enthusiasm of 1 RDCC

1st: 5455 MACLEAY Mrs H & Mr S Potrail Shape Of You Very feminine Lovely expression eyes are dark enough and a lovely almond shape. Good depth but maybe could have a bit more width across the muzzle. Good angles fore and aft. Has a slight arch to neck which flows into well laid back shoulders. Today for me a little too well covered but I am sure she will soon lose it as she matures. Has a well muscled rear end which she used well on the move. Had a strong level top line both stacked on the move. BPB BP

2nd: 5451 LILLIE Mr & Mrs J M Freeway Remembrance Another feminine young lady. I liked her head has a lovely eye shape and colour would just prefer a stronger foreface. Well balanced angulation. Erratic on the move but what I could see was ok. Preferred her front assembly to her litter mate.

1st: 5448 JACKSON, Mr & Mrs R & F & JACKSON Mr B Sh Ch Momesson Legacy She has a beautiful balanced head with depth and width across the muzzle. She has the softest expression which draws you in and dares you to ignore her. There is nothing overdone or exaggerated. Whichever angle you look at her she is balanced. From the front she has a good width of chest to allow her straight forelegs to get past her well sprung ribs. She has a short strong loin to enable her to hold her top line on the move. From the rear it is well developed to give her that rounded look and short parallel rear pasterns. Her movement is effortless as she flows around the ring. BCC BOB

2nd: 5442 GREEN Mr K & Mrs C Kennair Like A Diamond Another lovely bitch. Feminine head the stop a little more defined. She has lovely dark hazel eyes giving a typical soft expression.
