I very much enjoyed judging the Breed at the last East of England Ch show. A big thank you to both the exhibitors for their good sportsmanship and the cheerful atmosphere and the super stewards.

There were some really lovely typical Springers particularly in bitches. I was very pleased with the Bitch CC line up as all the class winners were of similar type, which isn't always easy to achieve, given the various different styles within the breed.

The correct Springer movement is still hard to find. Most are quite sound but very few have the required swing from the shoulder.

1224. Spaniel (English Springer) - Minor Puppy Dog

1ST - Bethryn Song of Solomon (Miss B & Ms K Holt)

LW, just 6 months and therefore very much a baby. I believe this his first show and this was evident. However he has plenty of strength throughout and a masculine typical head. Eyes

need to darken but this will come. Pleasing expression. Well off for bone and substance, with a good body. Good top line, and well angled front and rear. All he needs now is plenty of time.

1225. Spaniel (English Springer) - Junior Dog

Entries: 2 Absentees: 0

1ST - Jagger De Les Tres Llacunes TAF (Mr C & Mrs J Gledhill)

LW, 14 months and going through the teenage stage at the moment. Balanced head that has strength, as usual with a male of this age the head needs to break but time will fix this. Good eye and expression. Reachy neck that flowed into well made body, enough rib for age and strong front and rear. Rangy at the moment as you would expect, but all the basics are there. Exuberant mover, showing power and drive.

2ND- Hunterheck Fade to Black (Mr M & Mrs A Le-Clerc)

16 month old BW, with a pleasing well balanced head. Nicely coated. Would like a shade more angulation front and rear but has a strong topline. More purpose on the move is desirable. More experience for the dog and handler would help his chances enormously.

Yearling Dog**

**1ST - Beresford On My Way with
Acregate (Miss J J Tracz)**

19 months LW. An eye catching exhibit. Super old fashioned type and all Springer. Size wise he is at the top end of the standard but not too much and the body is very balanced. Pleasing male head with good width, nothing Cockerly about it, with good eye and expression.

Strong neck, well made front assembly and very good quarters. Has correct bone and beautifully presented coat of good texture and tailored to suit his shape. A strong sound mover with purpose. Still young but has it all to come.

**2ND - Dexbenella Double Trou-
ble at Teignvalley (Mrs C Hill)**

22 months LW with a pleasing head and expression, nice neck into well angled forequarters. Not the chest development of winner and would like a stronger topline. Good hindquarters and he moved soundly enough but without the purpose of winner. Beautifully presented.

3RD - Eastfalla Sherlockholmes (Mrs H Warrener)

1227. Spaniel (English Springer) - Post Graduate Dog

Entries: 2 Absentees: 0

1ST - Greg De Les Tres Llacunes (imp Spain) (Mr C & Mrs J Gledhill)

3 years old LW. Real powerhouse of a dog, moderate and balanced all through. Beautiful head and expression with a lovely dark and well shaped eye. Strong shapely neck blending into well placed forequarters, with a very well developed chest and spring of rib. Good topline and powerful quarters. Well off for bone. Nicely presented weatherproof coat.

Sound purposeful mover. Fought of some tough opposition for the **RES CC**.

2ND - Nineoaks Bring Him Home (Mrs Claydon)

Attractive 2 ½ years LWT. Nicely framed dog, with a most pleasing head and eye. Well presented typical coat. Found him a little

long in loin compared to winner. A little untidy coming and going, and a little overawed by the ring today.

1230. Spaniel (English Springer) - Open Dog.

A good competitive class.

1ST - Sandylands Xpress Delivery (Mr E & Mrs E Casey & Jayes)

3 years old LW male in his prime. Shapely but with substance. Correct moderate and balanced outline.

Nicely balanced head with dark eye and lovely open expression. Decent length of well arched neck, well made body with good ribs, strong topline, and moderate and very correctly angled hindquarters. Super bone and feet. Excellent coat beautifully presented and just the right amount. He is a super typey specimen stood but really comes into his own on the move, where he's sound out and back and has a perfect ground covering side gait with the required (and seldom seen) swing from the shoulder. Add this to his economy of effort and his lovely head carriage and great footfall all achieved on a loose lead by his accomplished handler he moved his way to the **Dog CC** and his title fairly easily.

2ND - Peasblossom Valentino (Mrs S Graham)

5 year old LW. Very pleasing type, with a beautifully balanced head and soft expression and dark eye. A well made body with

moderate length of neck, well set into correctly angled fore-quarters. He has a strong top-line and good bone and was in beautiful coat. Moved well with purpose but just not quite the drive of winner. Close up for RES CC.

1ST - Bethryn Song of The Lioness at Beresford (Mrs T E Topliss)

6 month old LW, petite young lady, of pleasing shape and type. Pleasant head and expression, eye will darken with time. Nice flow of neck into compact body, strong topline and well made sound quarters. Very well boned for a baby. Sound and purposeful on the move.

2ND - Calvdale Padlurowncanoe at Zawspring (Miss Z Wilson)

6 months BW, another pleasing type with plenty of substance but still feminine. Head developing well and has a good expression. Not quite the angulation of winner at the moment. Well balanced body.

3RD - Bethryn White Lady of Rohan (Miss B & Ms K Holt)

**1234. Spaniel (English Springer) -
Puppy Bitch**

**1ST- Melverly Iridescent (Mr R J
Smith)**

LW- the age of a puppy and the
deportment of a veteran! Very
mature youngster. Good breed
type with a pleasing head and
expression but would like more
work in the head. Super neck

flowing into a well constructed front assembly. The rear assembly is equally correct and balances the front. Strong topline which is kept on the move. Plenty of substance for age. Powerful 2nd thigh which powered her around the ring in a purposeful and happy manner. Well presented correct coat. Best puppy.

**2ND - Tiroen Typically Brae-
go (Mr P W Osbourne)**

LWT bitch of 9 months. Unfortunate to meet winner today. More elegant and a little upright in front and rear at the moment. Very good coat and presentation. She is a slow maturer and will be quite different when she has developed further.

1235. Spaniel (English Springer) - Junior Bitch

Two young ladies who are at just changing from puppies to adult and at the difficult age.

Entries: 5 Absentees: 3

**1ST- Allenies Lady Marmalade
(Miss J A Unwin)**

15 month LW bitch. Pleasing outline and her front assembly is nicely made. Good topline and reasonable hindquarters. Needs more width to skull, and would like more power to her movement. Going through a coat change. Just at the teenage age at the moment.

2ND - Hunterheck Lost in A Spell (Mr M & Mrs A Le-Clerc)

16 month old BW. Pleasing head and expression. Good fore-quarters and nice body. Lacks in hindquarter development and strength and this was reflected in her movement today.

**1236. Spaniel (English Springer)
- Yearling Bitch**

Entries: 6 Absentees: 1

1ST - Spuffing Prosecco (Mrs J Weyman)

LW of lovely breed type who is maturing well. Appealing typical head with strength of fore-face and plenty of work in it

but still feminine. Good eye and expression. Correct neck and very good front assembly with well sprung ribs and well angled hindquarters. Moved soundly with purpose. In good coat.

2ND - Dexbenella Double Bubble at Beresford (Mrs T E Topliss)

LW beautiful bitch stood. Appealing head but would like a shade more width to skull. Good eye and expression. Reachy neck, compact well made body with good quarters and well let down rear. Her movement let her down today.

3RD - Chanangel When You Believe at Shersona (Mrs Sde & Miss Md Frusher & Slack)

1237. Spaniel (English Springer) - Post Graduate Bitch

Entries: 3 Absentees: 1

1ST- Dexbenella Frivolity (Mrs C Simmons)

3 year old LW. Balanced bitch with really lovely breed type.

Pleasing head, with good expression and nice dark eye. Has

plenty of underjaw that was lacking in many. Well developed front and enough substance in body. Strong topline and good in hindquarter angulation. Has the right amount of sensible weatherproof coat. Moved soundly with required drive that earned her this class.

2ND - Petranella Perfick Bliss (Mrs M Proctor)

2 years old LW. Feminine young lady developing nicely. Pleasing head and expression although I would like more forehead. Well made body and in super coat and presentation. Not quite the compact body of winner, and needs to tighten in front movement but still maturing and nowhere near her best as yet.

1238. Spaniel (English Springer) - Mid Limit Bitch

Entries: 3 Absentees: 0

1ST - Dexbenella Fenella at Shersona (Mrs S Frusher)

LW 3 year old. Very typical girl with a beautiful head and expression. Lovely neck into well laid shoulders although would like a shade more upper arm. Strong compact body that is well ribbed.

Sensible moderate hindquarters and she consequently moved soundly with purpose.

2ND - Peasblossom Tupelo Honey with Teignvalley (Mrs C Hill)

BWT with a pleasing head and expression, plenty of substance in body and well made and strong all through. In superb coat and condition, moved with purpose. Just preferred the femininity of winner.

3RD- Freeway Fortune (Mr J & Mrs L Lillie)

1239. Spaniel (English Springer) - Limit Bitch

Entries: 4 Absentees: 0

1ST - Sandylands Send My Love (Mrs T E Topliss)

3 year old LW and delightfully naughty! Overall a pleasing type and shape. Appealing head with lovely eye and expression. Really good neck flowing into well made fore-quarters with a nicely constructed body and well let down hindquarters. Could tighten in front movement to advantage but overall has ground covering action with plenty of drive. Super coat of correct texture.

2ND - Trimere Timeless with Kassan (Mrs A E Crouch)

5 years LW. Elegant bitch with good type. Pleasant head and expression, moderate neck with good lay of shoulder but would like a shade more upper arm. Well presented correct coat.

Sympathetically handled and moved with plenty of coordination but would like more purpose.

3RD- Freeway Remembrance (Mr J & Mrs L Lillie)

RES - Pendarlow Tiana (Mrs P, Mr D & Miss A Wallis & Levene)

**1240. Spaniel (English Springer)
- Open Bitch**

1ST - Donarden Gin Fizz (Mrs N Dobbin)

5 years old and in her prime. Everything a Springer should be. Sound, sensible, moderate and nothing exaggerated. She has a beautiful head and expression, a feminine shape but

with the required width. Neck and front piece is just what it should be and the hindquarters are well constructed and balanced with width of second thigh. Plenty of substance with well sprung ribs and correct topline. Excellent bone and feet.

Moved very well with animation and purpose. She was in super coat, just a sensible amount of feather and beautifully presented. **CC and BOB**, I believe this makes her title.

**2ND - Sh Ch Sandylands
Send The Roses (Mr E &
Mrs E Casey & Jayes)**

Another quality bitch that fits the standard. Only 3 years old LW. Unlucky to meet winner. Very balanced, shapely and typical Springer. Lovely head, dark eye and melting expression. Well built body with lovely front and well

ribbed with a short loin and a strong topline. Excellent coat. Like the dog CC she has super ground covering movement and shows with animation on a loose lead. **RES CC.**

A typical lady of 7. LWT. Pleasing head and eye, with nice expression. Well made forequarters, good body and substance but a little soft in topline. Correct bone and decent hindquarters. Sound enough on the move but not particularly happy today.
