Judge Diane Scott

I would like to thank the Officers and Committee of The English Springer Spaniel Club for inviting me to judge their Championship Show this year and for all the hard work they did to make it a well-run event. I had a lovely entry giving me the pleasure of judging some top quality dogs and bitches. My main winners were all dose descendants of Sh.Ch. Mompesson Royal Destiny, a sire who has made an important impact on the breed over the last 12 years. Type varied quite a bit but I found very few light eyes and overall temperament was good. Unfortunately, some exhibits carried too much weight, which affected movement.

1 ROQFOLLY PANINARO . Rangy type, attractive outline, nice head shape but would like more depth of muzzle, lovely reach of neck with good shoulder placement, plenty of bone, good feet, nice tum of stifle with short hocks. Moved wide in front and was difficult to settle but he is still a baby needing experience. Promising

1 DEXBENELLA ATTICUS FINCH . I was very impressed by this young dog. Excellent breed type, great temperament, beautifully balanced and not overdone in any way. Lovely head, dark eye with kind expression, well laid shoulders, deep body, strong bone, correct tum of stifle, short hocks, strong hindquarters which he used to drive out well when moving, very sound. I feel confident that he will have a successful future and go on to gain his title. Res.CC

2 BERESFOED NIGHT TRAIN Another super young dog of good breed type, lovely masculine head, good shoulder placement, strong bone, deep body, short hocks, moved well with drive, not quite as strong in hindquarters as 1. Very promising.

3 DONARDEN DREAM LOVER FROM HANKNIGHT

Another with a promising future

Excellent breed type, quality dog, beautiful shape, one of the best heads in the competition, such an honest expression, lovely reach of neck flowing into good shoulders, deep body, level top line, well let down hocks, he could have carried a little more weight in my opinion, moved well in this class but let himself down in the challenge

2 MOMPESON DEVONSHIRE Good breed type, strongly made dog who has much to like about him, masculine head, dark eye, lovely expression, great depth and spring of rib, strong well muscled hindquarters which allowed him to move with terrific drive, just would prefer a little less of him all over.
