1ST WESTAWAY DREAM ANGUS OF ROSANNOCH (IMP NOR) (MRS E ROSE) – Masculine dog, well balanced all through with lovely bone & neat feet. Strong neck, good depth of rib & well coupled up. Uses his powerful quarters to advantage going around the ring. Pushed hard for top honours.

2ND KENNAIR DREAMING ON A STAR (MRS N J MORGANS) Quite different in type to winner. He has kind expression, good length of neck, deep rib & short coupling. Just not showing the same freedom of movement as winner.

1ST MEONSTOKE HAWTHORN (MRS K C TAUBMAN) 1. Such a well shaped & balanced dog. Plenty of work in his head, without coarseness, well shaped eye. Great bone & neat feet, deep through body with strong quarters. Covering the ground well on the move.

2ND TRIMERE TICKS THE BOX AT MUJASCAL SHCM (MISS J A SUCH) Slightly smaller dog, well balanced all through, strong quarters which he uses well. Just not quite the head properties of winner

1ST SH CH MOMPESSON WINCHESTER (MR R W & MRS F JACKSON) – Headed a class of worthy Champions, he is masculine without coarseness. So well balanced all through. Classic head shape with a kind eye & expression. Good length of neck into well laid shoulders. Strong through ribs & loin, with well muscled quarters. Today he moved like only a Springer can – throwing well forward in front & driving from the rear. Pleased to award him CC & BOB and congratulations on BIS3

2ND SH CH ART-WAVES STANDING OVATION FOR ALLENIE (IMP SWE) (MR R P & MRS C BOTT & SAVELL) Another one out of the top drawer. Slightly different balance to winner. Masculine head with good eye shape. Strong neck with well angled shoulders & powerful quarters. Moving well, just not the enthusiasm of winner today, but put in enough to earn RCC

1ST TRIMERE TIME TO SHINE (MISS S J CORBETT) Shine Just what you would expect at 6 months old. Sweet head with good eye shape. Good length of neck, balanced through body and shapely quarters. Difficult to assess movement at this stage, but will watch her with interest

2ND GUNRING APRIL LADY AT ASHRING (MRS D & MR P PARR) Pleasing head shape, though eye is slightly rounded. At that silly stage where she needs to grow further up on leg. Moved with confidence

2ND CARMEN MIRANDA BUXUSSON (IMP CZ) (MR C STOBBIIE) Out of a larger mould & at this stage a little too angular for me. Well shaped head, but eye could be darker. Well ribbed up & moving with good drive from rear.
