9 1/2 year old girl that stood alone in this class, but even in a bigger class would've been hard to beat. She is shown in such hard condition for her age. Presents a typical Springer outline when standing. Super for breed type. She has such a feminine head, with lovely expressive, mischievous eyes, well chiselled. Good length of neck well arched into well laid back shoulders. Superb depth of chest, excellent spring of rib and so well bodied. Strong, firm, level topline. Moderately angulated hindquarters, with the best muscle tone of the day. Moved around the ring like she owned it, teaching the young ones how it's done. True typical Springer movement and ever so sound. Gorgeous girl! I had no hesitation in awarding her Best Veteran in Breed but slightly disappointed I didn't see her in the main ring for Best Veteran in Show.

Class 306 MPB (4 Entries) Abs: 1

1st: 1231 EYEINGTON Mr & Mrs S & J Kingsheath Kaitlyn Of Meadowdale absolutely gorgeous 8 months B/W baby. Lovely shape and outline. The most feminine head and expression with beautiful dark eyes. Lovely strong neck of a good length. Excellent front angulation with a deep chest. Superb bone for one so young and good tight feet. So well bodied for her age and holds a strong firm topline. Well angulated hind quarters with excellent muscle. Moved very well and so soundly. One that will go far I am sure.

2nd: 1217 BASHFORTH Mrs L Jorobaden Mon Mome very pretty 7 months old LW. Presents a lovely typical outline, but just needs to tighten in topline which is bound to happen with age. Sweet feminine head with lovely dark eyes. Such an impressive depth of chest for her age. Well angulated front. So well bodied. Good angulation behind, with well let down hocks. Nicely boned legs with good feet. Moved around the ring soundly and with drive.

2 beautiful puppy bitches in this class and it was very hard to judge as there wasn't much splitting either of them, both are bound to have bright futures.

1st: 1221 CORBETT Mrs A E Trimere Teresa Green gorgeous 11 month old L/W/T presented in lovely coat and condition. When standing she presents the typical ESS outline, there is nothing overdone or exaggerated about her in anyway. Gorgeous feminine head of the correct proportions, with beautiful expressive eyes, well chiselled. Well defined stop. Lovely length of neck, well arched. Excellent front angulation with plenty depth of chest. So well boned and lovely tight feet. Well sprung ribs set well back into a short loin. Superb level topline.

Moderately angulated behind with good muscle tone. Moved around the ring with such reach from the front and power from behind, which ultimately won her this class. Very sound both coming and going. A beautiful puppy that will go far I am sure. Delighted to award her BPIB and see her win 3rd Best Puppy in Show later in the day. Well done!!

1st: 1275 SMITH Mr R J Meverly Bang Tidy

beautiful 15 month old LW, with a bright future ahead of her I'm sure. For me, she was the clear winner of this class. She presents such a striking outline when standing and I couldn't take my eyes off of her. Lovely head, with all the right proportions, if I am to be a fraction critical I would like a slightly better stop and a little less flow. Beautiful dark eyes. Great length of neck, with a well angulated front, with an excellent depth of chest. Brilliant spring of rib set well back. Well angulated behind, good muscle, and well let down hocks. Super bone. Moved very soundly with drive, but I would like to see some hair taken off the hocks as it makes her appear a little close behind. A lovely bitch.

2nd: 1269 ROSE Mrs E Rosannoch Fortuna JW

L/W presented in the most gleaming coat and condition with excellent feathering and is whiter than white. Feminine bitch, with the prettiest of heads. Lovely dark eyes. Well set ears. Superb clean neck, laying into well placed shoulders. Excellent depth of chest. Well bodied and good spring of ribs. When looking at her she can appear bum high which spoils the overall picture of her. Super legs and bone. Moderately angulated hindquarters. Sound mover, with enough power and drive.

1st: 1234 GLENDINNING Ms F Beaters Bedazzled

first class 18 month old LW, who I have admired for a while now. She is an absolutely gorgeous bitch and presents a lovely overall picture when standing. She is the daughter of my Dog CC winner and she carries many of his qualities. She has the prettiest of heads and a melting expression with a kind eye. Strong, well arched neck leading into well laid back shoulders. So well angulated at front, with a super depth of chest. Elbows tight to her chest. Great body with a firm level topline. Moderately angled hindquarters, well muscled. Legs with good bone and tight feet. Moved the best I have seen her go, with great drive and so sound. Unfortunately today there were some more mature bitches she was up against in the challenge and she had to let them take top honours, but her day will definitely come. A promising star!

2nd: 1265 RICHARDSON, Mr P & TERRY-RICHARDSON Mrs Y Cherishym Celaneo

another lovely bitch, but lost out on overall maturity of 1st today. She presents a lovely outline when standing, nice size and balance. She is completely honest and very moderate all over. She has the sweetest of heads and expression. Just lacking a bit in body at the moment, but that will come once she matures up. Good angulation both fore & aft. Very sound mover.

This class was one of the best classes of the day, I was very impressed with the quality. Any of these bitches could swap places on a different day.

1st: 1242 JACKSON Mr & Mrs R & F Mompesson Royal Dancer

Top drawer bitch from this Kennel who I have followed with interest for some time now and I was delighted today to be able to be given the chance to get my hands on her. She has the most gorgeous outline, and caught my eye as soon as I looked around the ring. At 2 years old, she is starting to really come into her own now. She has a great head of the correct proportions, with the correct chiselling and fluting. To be a tad critical I would like slightly less flew on her. Lovely kind dark eye. Well set ears, with plenty of feathering. Lovely length of neck, with a strong arch, leading into well placed shoulders. Plenty depth of chest with elbows tight. Well boned legs and good tight feet. So well bodied throughout, with a good spring of rib. Strong firm top line. Moderately angulated hindquarters, with super muscle tone. Well let down hocks. Moved so soundly fore and aft. Presented in the most lustrous L/W/T jacket. An absolutely gorgeous bitch who no doubt will be the next Champion for this Kennel. She was shortlisted in the challenge today, but the two Open bitches just pipped her to the post. She has a great career ahead of her I'm sure and I will continue to watch her with interest.

2nd: 1227 EASTWOOD Ms D Roqfolly Miss Moneypenny JW

23 month old, LW bitch presented in the most immaculate condition, just coming into good furnishings now. I judged her as a puppy and gave her BOB at an Open show in tough competition, I loved her then and I still love her now. She is so feminine throughout and totally moderate. She has the sweetest of heads, with a melting expression and a dark eye. Good length of neck, well muscled and correctly arched. Good, correct front assembly, with ample depth of chest. Strong bone and tight feet. Well sprung ribs, and so well bodied. Well set tail. Moderate behind, with good muscle tone. She flows around the ring, with plenty of drive and so sound coming and going. Today she was very much the baby of the class, but she could not be denied this 2nd place in some really strong competition. Another star for the future.

1st: 1285 WARRENER Mr P D & Mrs V L Waterswarren Whitewash

3 year old lightly marked L/W/T bitch who I have not really noticed in the past before, but today she really filled my eye. She is an ultra feminine bitch but doesn't lack the substance a Springer should have. She presents a beautiful outline, with a great shape. Perfectly balanced. She has the most beautiful head and expression, with lovely chiselling and dark eye. Good reach of neck, leading into a great front assembly. Plenty enough depth of chest, ribs well sprung, and well bodied throughout. Totally moderate hindquarters well let down hocks, well muscled, with enough second thigh. Well boned legs with lovely feet. Moved effortlessly around the ring, with power and drive. Very sound both coming and going. A very stylish bitch who I shortlisted in the challenge and pushed the two Open bitches hard for top honours today. I really thought she was lovely and her day will come I am sure. I wish you all the luck in making her up.

2nd: 1243 JACKSON Mr & Mrs R & F Mompesson Mischief

another cracking bitch from this Kennel who pushed the winner all the way. Stronger bitch the 1st. Presents a typical outline standing. She is of the old fashioned type, nothing to flashy or exaggerated about her. She has the most feminine head, with a beautiful dark eye, giving her that melting expression. Well chiselled, flat cheeks and good stop. Slightly rounded skull, ears set well. Good length of neck leading into super front angulation. Good straight front, with elbows tight to her chest. Fantastic depth to her all through. Strong muscled hindquarters. Firm topline, with tail set right off the level of the back. Another bitch that moves with ease around the ring, with power and drive.

This class was the class of the day and any of the top 5 could've been award the CC here today, it really was that strong. It was an honour and a privilege to be able to go over such wonderful specimens of our breed. Thank you.

1st: 1276 SMITH Mr R J Sh Ch Meverly Sublimity

just coming up 7. what can I say about this most exquisite bitch? She is just the bitch that every owner dreams to have in their kennel. When I saw her stood from across the ring, I just couldn't take my eyes off her. She presents the most typical outline, and just by looking at her, you know she is made right. She is so well balanced with the correct height to length ratio. She has the most delightful feminine head that is so well balanced and chiselled with lovely stop and fluting. Beautiful dark, expressive almond shaped eyes. For me she is faultless to go over. She has a lovely strong arched neck, leading into well laid back shoulders, with a great return of upper arm. She has the most superb depth of chest. Well boned strong front legs, with lovely neat well padded feet. Elbows fitted tightly against her chest. Excellent spring of rib, set well back into a short muscular loin, slightly arched. Superbly bodied. Strong firm topline, with tail set well on. Her hindlegs are well let down, with a moderate turn of stifle. Strong muscular thighs. Nice short hocks. Today she flowed around the ring effortlessly with true springer movement, swinging from the shoulder and pushing from behind. So sound coming and go. Presented in tip top condition today. In my opinion she is as close to the breed standard you can get. I was absolutely thrilled to be able to award her, her 33rd CC & BOB over the lovely dog. I was delighted to see her shortlisted in Best in Show. Thank you very much to her owner/breeder for letting me have the honour of judging her. I absolutely loved her

2nd: 1244 JACKSON Mr & Mrs R & F Mompesson Gypsy Spice

another top class bitch from this Kennel! Such a beautiful, typical girl, that is so very feminine. She presents such a balanced outline when standing, completely moderate. She is again, like many from this kennel of the old fashioned type, which I just love. I loved her head, so well balanced and correct. Well chiselled with the correct fluting between the eyes. Fairly broad, slightly rounded skull with good stop. Good flat cheeks. Beautiful almond shaped eyes, giving a soft melting expression. Well muscled, slightly arched neck of good length, laying into well placed shoulders, good return of upper arm. Super depth of chest. Lovely well boned legs, with padded tight feet. Elbows close to her chest. Well sprung ribs, set well back. Lovely, short, muscular loin. Firm, strong, level topline, with tail set right off the level of her back. Completely moderate hindquarters, with such good muscle tone. Short hocks. She is a joy to watch on the move, she effortlessly flies around the ring, with such power

and drive and sound both fore and aft. Presented in lovely LWT coat and handled to the best advantage. Another bitch I fell in love with, and it was a close call between her and 1st today, I was literally splitting hairs. Today I could not deny her the RCC over 2 other lovely bitches.
