First I would like to thank the committee for inviting me to judge at this wonderful friendly show.

The hospitality is second to none, I would also like to thank my ring steward Mr E Locket and Jeff Backhouse for keeping everything running smoothly.

I thoroughly enjoyed my day, thanks to the exhibitors for such a wonderful entry. I have to mention my concern of movement on some of the exhibits, many moving very close behind .

Fronts need watching with many lacking in width and depth of forechest. And I would like more width of second thigh on some of the exhibits.

I was extremely pleased with my top winners as I was with my overall winners .
