Many thanks to the Committee for the invitation to judge English Springer Spaniels at this Show. Albeit midweek and no tickets on offer, it was a good entry with dogs of an excellent standard, and I thoroughly enjoyed my day at Stafford.

1ST MEADOWDALE LUTHER VANDROSS AT SEASPRING (MS T M DUNSDON) 10 Month B/W masculine puppy, with excellent balanced outline. Most attractive head of correct proportions with lovely dark almond- shaped eye and kind expression. Level top line, plenty bone. Moderate angulation front and rear with good spring of rib and depth of body, excellent feet, well presented and moved steadily and happily around the ring. Well deserved his Best Puppy on the day.

2ND JOROBADEN WEST TIP (MRS N OCHI-ROBINSON) 10 Month L/W. Finer type but nonetheless masculine puppy, just not so mature as [1]. Giving his handler a difficult time today. Lovely head of good proportions, eye needs to darken. Correct angulation front and back, level topline. Good depth of body. Still a lot of development to come, nice feet. Well presented and moved well some of the time today.

1ST CLENTONION SOLOMOMS SEAL (MRS A C HAPPS) : 3 ½ year old L/W dog. A good solid old fashioned type of dog, for me oozing breed type. Up to size with a really balanced shape overall, very pleasing outline and level topline.

Beautiful head of correct proportions with the kindest eye and expression. He has it all- fluting, chiselling and strong jaw. Deep chest, good spring of rib. Moderate angulation back and front, nice feet. Very well presented in excellent condition.

Moved well and steadily round the ring, a pleasure to go over- Best Dog on the day. BD.

2ND TERNSPRINGER BAND MAN AT REULEMILL (MR G CLARKE) 2 ½ year old L/W Dog. A smaller finer dog with lots to commend him. Lovely head with kind expression, deep chest, correct shoulder placement, adequate length of neck. Doesn't quite have the body depth of [1]. Correct hind angulation. A compact dog, a bit fidgety today but moved really well.

1ST SH CH/AUST SUP CH/SU (U) CH SANDICAM THE LOOK OF LOVE (IMP AUS) CW18 (MR E & MR C CASEY & CAVALLO) 4 1/2 year old L/W Dog whom I have watched with great interest from the ringside. He is a most compact, handsome, masculine boy in tiptop coat and condition, and has much to commend him. He is well- balanced with a strong well-muscled body, and strong, well-made hindquarters which allow him to travel round the ring effortlessly, and with style. His head is perhaps less typical than I would prefer but he has a nice dark eye .Neck flows into well laid shoulders, excellent feet. Moved as one with his handler on the day. RBD.

1ST TORBECK PENRHYN BAY (MRS P & MR D & MISS A WALLIS & LEVENE) 7 1/2 year old L/W/T. Another good old fashioned type of dog with no exaggeration. Well-balanced outline. Lovely head and expression, dark eye, plenty of bone, and plenty depth of chest and spring of rib. Moderate angulation Front and back. Good feet, strong 2nd thigh. Hocks well let down. Moved well, driving well from strong rear assembly.

2ND SH CH PLAIGLEN HUSTLE (MS F GLENDINNING) 8 year old B/W Dog. I have long admired this dog but he was not on his best behaviour today, giving his handler a difficult time. He stood well eventually but did not show his attributes to full advantage today. He has a lovely head with the kindest of expressions, and dark eye, nice balanced outline, moderate angulation back and front, level topline and excellent feet. Became more animated on the move. Moved well and soundly.
