Firstly, I would like to thank the Northern English Springer Spaniel Society for inviting me to judge this show and secondly thank you to all the exhibitors who entered and supported the show. Also, a thank you to the hard working committee and to the stewards that helped me through the judging.

Although the weather didn't allow us to have the show outdoors, I thought the show went smoothly, with a good ring to move the dogs, proper light and specially with great friendly atmosphere.

About the dogs, I was happy with my principal winners and overall quality with good type and balance. Have to say that some dogs disappointed me when they moved, being only comfortable when stacked and this brought them down when getting placed. Either because it was indoors, change of handers or just poor temperament to show themselves properly, I wanted my winners to have it all and a springer should always show itself proud at all times.

1 MR & MRS G & J CUNLIFFE SH CH/IR CH CALVDALE MY GIRL OF FALLENLEAF JW SHCM Temperament is the first quality seen and left its mark. For sure a show girl and couldn't ask for more from her. Her movement is just perfect and admirable for her age, very feminine and in perfect balance both stacked and on the move. The picture of classic type bitch. Congratulations to her owner for keeper her in such good condition. She went all the way to Best Veteran in Show.

2 MS F GLENDENNING SH CH PLAIGLEN HUSTLE This boy has a masculine head and expression with matching dark and kind eyes. A good mover that holds his topline and shows himself proud around the ring. Shown in top condition and with great coat to go with it. Liked what I saw all the way through, from a lovely neck and shoulders to tight feet and good angulations.

1 DR M EDDLESTON CALVDALE NASH BRIDGES SHCM Classy and elegant young dog with masculine head and eyes that give you a kind expression. Good depth and balance with correct angulations front and back. A nice mover that got better as he came in the ring for more classes but just needs experience to settle and take it at first attempt.

1 MRS T TOPLESS ON THE ROAD AGAIN TAMAAM TO BERESFORD a very promising puppy just at 6 months with a beautiful and attractive silhouette, showing already good depth for his age and a very good balance. Moved like a puppy should, just happy to go around the ring. He was Best Puppy Dog.

1 MRS K JENKINSON EASTRIDING DECLARATION this dog was the best mover in the ring that day and with his lovely type and balance got him ahead for the top awards. He has a beautiful masculine head and kind eyes. His front assembly guaranties his perfect movement with a great reach and drive. The back end gives him the engine to deliver a good balance and although a bit longer cast he was my easy choice for Best Dog. Later became Best in Show and Best Black and White in Show.

1 MR & MRS M CALVERT CALVDALE STOWAWAY MAGIC very promising and feminine puppy. Well balanced with very nice front and topline. Still in need to mature and darken her eye colour. Good length of neck and well placed shoulders and good bone. Showed a typical puppy movement and had a happy tail to match it.

2 MS F GLENDINNG PLAIGLEN TWEEDLEDEE – Lovely and feminine puppy with dark eyes and a kind expression, good neck and well laid shoulders. A bit long in loin with correct angulations and enough bone. Moved well and always wagged her tail showing a happy puppy temperament.

1 HELEN & STUART MACLEAY POTRAIL SHAPE OF YOU This young bitch is a really happy and confident mover. Got a perfect reach and drive and shows it every time around the ring. She has a nice head, balanced body and proportions with enough bone. Good topline that holds on the move. She is definitely more attractive moving than standing and that got her to Best Puppy Bitch and latter on to Best Puppy in Show.

2 MR M J & MRS J V SHOVEL TIVERSTONE PETIT MUSCAT small sized puppy bitch . Good balance and angulations with enough bone. Her movement wasn't pushed forward, with little leg activity to keep up an easy drive.

JB 2

1 MRS CRABTREE WENARK MAY BLOSSOM good type young bitch with enough bone, correct front angulations and good depth of chest. Moved well while keeping her shape.

2 R J SMITH MELVERLY TINY DANCER very small sized bitch but with quality all over, making a beautiful picture with a great outline. Feminine head and expression with a strong neck flowing nicely into her well placed shoulders, good angulations and enough bone. Couldn't keep her shape on the move and it costed her when placing.

1 MRS N CALVERT BERESFORD NIGHT SPELL classy and feminine young bitch with a typical head and kind expression. Good reach of neck that flows into well placed shoulders, correct topline and correct angulations in front and back. Stood on "cat feet" and it was really her day to shine, moving perfectly around the ring every time. The spotlight was hers and she won Best Bitch for her young handler.

PGB 2

1 MR G J & MRS S GIBSON CALVDALE RAG NYMPH Up to size bitch with a superb fully matured head, long neck and well laid shoulders, stood on "cat" feet, enough angulations in front and nice low hocks in the back. She moved well and got better as she moved. A very complete bitch that deserved being class winner.

2 MS K & MISS B HOLT PLAIGLEN BEATERS BJEWEL AT BETHRYN JW classic bitch, feminine head and expression, enough bone and good dept of chest. A bit closed behind on the move and not with the best tail carriage.

LB 7(2)

1 MRS K JENKINSON HOLLIVERA'S VERONA WITH EASTRIDING (SWE IMP) attractive tri bitch that was the best mover in the class and it got her to winning post. She is feminine and balanced. Would like to see a better tail carriage on the move.

2 MR G & MRS J CUNLIFFE CALVDALE I SAY OF FALLENLEAF CW18 CJW18 – beautiful outline, feminine all the way with lovely expression and elegant looks. I think she needs time to mature and wasn't at her best on the move which cost her winning this class.

1 KE & W J WILLEY MELVERLY WHAT STYLE her markings on her show side shoulder don't give her any help as she looks much more straight in front than she really is. She is a complete and balanced bitch that improves when on the move. Her head could be more expressive and feminine but has correct eye colour.

2 MR P RICHARDSON & MRS Y TERRY-RICHARDSON CHERISHYM CELANEO Feminine bitch, light in bone, with good length of neck, correct shoulders and topline.
