Thank you to the NESSS for giving me the chance to judge at one of my favourite venues. You're hospitality is amazing and the surroundings are just lovely.

A big thank you to all who entered and to the very helpful stewards who kept the show running smoothly. I'm sure the dogs also love this venue as most were in full 'party mode', no nerves and lots of wagging tails.

I noted a few points from the day.

Head shape is very varied as is height. Rear angulation can be over exaggerated, and coats can be too profuse. It's the age old scenario of selecting different parts from several dogs and you'd have perfection.

Congratulations also to the Champ show winners.

Once again, thank you.

JD 1st, Jenkinsons EASTRIDING ROYAL BLACK,

14 mths, This sparkling young man just needs time. He's so stylish and completely owns that fact. Well balanced head with soft expression and clean neck flowing into well placed shoulders. Ample spring of rib, still needs the depth of body that comes with maturity. Strong thighs, moved out soundly with drive and enthusiasm. Held his topline perfectly. Beautifully presented.

2nd, Topliss BERESFORD LOCKDOWN,

Well balanced in profile for such a young dog. Masculine head of correct proportions, strong neck set into well placed shoulders. Very nice front angulation and ample spring of rib. Strong, well angulated rear quarters giving good drive on the move when he settled. This boy came to party and looked like he thoroughly enjoyed his day out.

Really liked this boy. Lovely balanced profile, masculine head with the most appealing expression. Correct, clean front angulation and plenty of rib space. Strong, broad thighs and well let down hocks. Unfortunately, he was very unsettled moving out, but I'm sure he is one to watch.

OD Topliss BERESFORD AS GOOD AS IT GETS

Strong young dog with super bone and well balanced outline. Masculine head of good proportions. Strong, clean neck flowing into well placed shoulders. Length and depth of body nicely balanced. Strong, broad thighs and well let down hocks. He moved out in 'party mode' but his handler managed to settle him into his stride and he covered the ground with smooth reach and great drive. BIS

PB Topliss SANDYLANDS SEND MY LOVE

Still a raw puppy who need time to grow into herself. Slightly lacking in depth of foreface but lovely clean neck set into well laid shoulders. Depth and length of body are not proportionate yet, but she has time on her side. This girl was loving life and bounced round the ring which made it difficult to assess movement. She was more settled in the line up and ran on with drive and style.
