Thank you so much to the Committee for the invitation to judge English Springers and to the exhibitors who entered their lovely dogs under me, it was so nice to get off 'the Jersey rock' and see people again. Many thanks must also go to my hard working stewards Trish and Dave who had a long day efficiently working the ring.

Puppy Dog (1:0)

1. Casey & Jayes Sandylands Xpress Delivery 10 month old, well off for bone and balanced on the move, striding out well for a baby, head of good proportions, clean over the shoulders, good depth to fore chest, balanced angulation front and back, presented in good condition - lovely to see him take the Gundog Puppy Group

Junior Dog (0:0)

Yearling Dog (0:0)

Post Graduate Dog (1:0)

1. Holman Roqfolly Jumpin Jack Flash Short and balanced through body, deep, well let down chest, correct ear set and lovely kind eye, good depth to muzzle. He moved well with a free action and in the challenge at a slightly faster pace it really helped him stride out and win Reserve BD

Open Dog (4:1)

1. Bott & Savell Sh Ch Nord Sh Ch Art-Wave's Standing Ovation for Allenie (Swed Imp) Well presented, all boy but no coarseness, well balanced, deep in chest, moderate angulation back and front presenting lovely outline on the move and standing. Strong throughout body, lovely soft expression with a hint of Springer mischief. Confident, stylish free movement, moved as one with handler. Delighted to award him BD and BOB
2. Holman Roqfolly Endeavour for Arthycreath Well put together, good bone, elbow set well to body, slightly shorter in body than 1 and I'd have like a bit more spring of rib. Neat feet, good head just preferred the balance of 1. Moved out well.
3. Charlton Petranella Jubilee Jester Lovely to see an 11year old enjoying his day out. Class –

Puppy Bitch (0:0)

Junior Bitch (1:0)

1. Hill Peasblossom Tupelo Honey with Teignvalley Really liked this well put together young lady, she used the ring to her advantage today with easy free movement, clean balanced outline from head to toe, moderate angulation back and front, soft kind expression with dark eye, neat feet. Well deserved the Reserve BB Class –

Yearling Bitch (1:0)

1. Taubman Meltarose Madeleine at Meonstoke This young lady has a lot to like about her, she strode out well but needs a bit more strength behind on the move to really drive out. Good fore chest and well off for bone but not over done, feminine head of lovely proportions. Class - Post

Graduate Bitch (3:1)

1. Toublic & Toublic Cobhay Fancy Phlox Alert kind expression, good depth to muzzle, correct ear set, good bone, strong hindquarters, would have liked a bit more length of neck but won the class on her movement, moved with confidence and purpose on compact feet.
2. Crouch Trimere Timeless with Hassan Well presented, taller on the leg, good bone, narrower through body, well rounded feet moved soundly and had a well proportioned outline.

Open Bitch (6:1)

1. Hydon Clentonian Pandemonium JW Lovely feminine head with kind expression, well angulated behind, moved with a flowing and purposeful stride, presented in lovely condition, well sprung ribs, good fore chest and strong throughout creating a balanced outline. Delighted to award her BB 2.
2. Corbett Trimere Time To Shine Well presented, strong though body, well developed hindquarters, loin muscular, correct ear set, good head, elbows set close to body, balanced back and front, moved out well on good strong feet.
3. Corbett Trimere Taylor Swift
