The SESSS produce consolidated A1, A2 & A3 lists that it supports to judge English Springer Spaniels.

List A3 indicates persons who the SESSS would recommend as being suitable to award Challenge Certificates in the breed but not yet approved by the Kennel Club for inclusion on the A2 list.

☒ They are valid for one year only and will expire on the 31st December each year. New and updated applications to the judging lists will be considered by the SESSS JSC and supported applications will be added to the appropriate list.

☒ The A1 list will be compiled using information provided by the Kennel Club with regard to those persons who have been passed to award Challenge Certificates and have awarded Challenge Certificates at the time of the compilation.

The decision of the SESSS is final and no reason for non-inclusion will be given. This does not preclude a re-submission of an application in any subsequent year.

☒ Judges who are to be included for the first time on judging lists will be informed of the SESSS decision in writing. A copy of the judging lists will be made available on request or can be found on www.sesss.org
