

## **SESSS Judging List Criteria, A2 and A3 1/1/2021**

The SESSS produce consolidated A1, A2 & A3 lists that it supports to judge English Springer Spaniels.

**List A1** For persons who have previously been approved by the Kennel Club to award Challenge Certificates in the breed and have completed their first appointment. The SESSS A1 List indicates persons who have their support.

**List A2** For persons who fulfil all the requirements of the A3 list and who have been assessed in accordance with Kennel Club requirements and accepted by the Kennel Club for inclusion on the A2 list.

**List A3** indicates persons who the SESSS would recommend as being suitable to award Challenge Certificates in the breed but not yet approved by the Kennel Club for inclusion on the A2 list.

They are valid for one year only and will expire on the 31st December each year. New and updated applications to the judging lists will be considered by the SESSS JSC and supported applications will be added to the appropriate list.

The A1 list will be compiled using information provided by the Kennel Club with regard to those persons who have been passed to award Challenge Certificates and have awarded Challenge Certificates at the time of the compilation.

New applicants wishing to be considered for inclusion in the judging lists must, in the first instance, complete an SESSS judging questionnaire. Any person can apply for inclusion on the lists. A judging questionnaire can be obtained from [www.sesss.org](http://www.sesss.org)

Copies of all relevant seminar certificates (where required) MUST be attached to the questionnaire as proof of attendance.

Membership of the SESSS is not a pre-requisite for inclusion on the lists.

The suitability of applicants for inclusion in the Breed's A1, A2 and A3 lists of judges will be considered by the SESSS at its discretion, using the criteria previously detailed as a guide. The decision of the SESSS is final and no reason for non-inclusion will be given. This does not preclude a re-submission of an application in any subsequent year.

Judges who are to be included for the first time on judging lists will be informed of the SESSS decision in writing. A copy of the judging lists will be made available on request or can be found on [www.sesss.org](http://www.sesss.org)

In accordance with the KC recommendation, voting of a person for inclusion on judging lists will be by secret ballot. Voting will take place at an SESSS JSC meeting.
