Best Special Beginner :

I should like to thank the committee of SKC for the invitation to judge. It was an honour to be selected, and it was a privilege and a pleasure to go over such a lovely, quality entry. Therefore, I should also like to thank the exhibitors for giving me such a super entry. It was quite noticeable on the day, that COVID-19 has certainly influenced both the training and presentation of the dogs, as particularly the younger dogs seemed quite unsettled in the indoor environment, with all of the noise, clatter and echo, and both the handlers and the judge being masked. It was inevitable that this should happen, but as restrictions ease, I would hope that normal training and performance should return.
