Would just like to thank all of you who came to Sth. Wales for my opinion. I thoroughly enjoyed going over all your dogs and my day. Was pleased with my class winners and delighted with my CC and Res CC winners. We had an enormous ring giving plenty of room to show off movement which I was a little disappointed with in general. Heads, expressions, toplines, and feet I found challenging. We can all judge a dog from the ringside, but there is nothing better than getting hands on, found surprises and disappointments.

1st CALVDALE NIGHT COURT (MR & MRS M CALVERT)

B/W puppy, well made with ample bone and maturity for one so young. Very striking in outline and commands attention. Has a very pleasing well balanced headpiece with a soft expression, sometimes with blacks you can lose the eyes, but these were very gentle. He strode out well on the move, should have a very bright future. Best Dog Puppy.

2nd JOROBADEN BALLABRIGAS (MRS A C HAPPS)

This puppy was very much in a growing stage, and looked as he was a very minor puppy. Has an adequate head which will need time, will keep an eye on his development as he will blossom, as will his movement which was a little erratic, and he was enjoying his outing. Hate to see puppy robots and never mind if they misbehave as you can normally see enough. Such a baby compared to 1 on the day.

1st CALVDALE ZERO TO HERO (MR & MRS M CALVERT)

Now this is up my street, a very handsome lad, full of quality and what style. Has a really pleasing head shape and eye expression. Has good strong neck into decent shoulders with enough upper arm, and heart room. Standing on timbers that had neat feet on the ends. Was a little unsure on the move but his stride is correct. Another to watch as he matures on.

2nd MEADOWDALE CASSAPPLE MANHATTAN (MR S & MRS J EYEINGTON)

Gosh these B/W's are giving the Livers a run for their money, and this one is a Tri as well. Looks super on the stack and has strength stamped all through him. He shouted "look at me" so I did. Super shape and body, good legs and yummy feet and in excellent show condition. For me at the moment just find his head a little strong, but he is young and still developing.

1st CARLYQUINN CAN'T WAIT JW (MRS H COKELL)

This dog is built on very smart clean lines which I appreciated. Enough bone with neat feet and good angles in front and behind. Strides out on the move and drives well from behind. His head and expression for me are the pieces I would like him to improve on. He just needs time to man up all round for the finished picture which will come with time from teenager to full maturity. Patience is the name of the game.

2nd ROQFOLLY FOR YOUR EYES ONLY AT NYLIRAM (MR T & MR G H GRAHAM & LAWLER)

Makes a good shape on the stack, with reasonable bone all through. Certainly gave his all and came alive on the move. In good conditions which showed off his solid jacket. Preferred his eye expression to one. Again another one who needs more time to finish his development which will be to his advantage.

1st PEASBLOSSOM JESTER (MR & MRS D MITCHELL)

Very surprised how much this young male appealed to me. Maturing on in a very pleasing way, and built on neat, clean, striking lines. You get what you see with this lad, nothing overdone in anyway. Loved his head with an expression that stays in your head. Good strong neck and has a strong level topline, well developed quarters with moderate angulation behind, which he uses with verve to power himself around the ring and I could not deny him the Res Dog CC on the day. Pleasure to judge.

2nd CALVDALE GREAT ESCAPE JW SH C M (MR & MRS M CALVERT)

Completely different mould from 1, this one has come out of. Powerpack of a dog all through. His head disappoints me as he has grown up, and find it on the strong side for me now. But cannot deny the qualities this dog has. Also found he has a tendency to dip down behind, which could be laziness as when he is corrected is acceptable. Has a huge stride when he is on the move and needed the big ring to show himself off to his advantage.

1st SH CH MEADOWDALE BANJO JW SHCM (MR S & MRS J EYEINGTON)

This young lad was another who surprised me. Very smart male who has come into his own of late, and on the day could not deny him the Dog CC. In honesty probably just a little too much for me all round, but nevertheless full of quality and turned out and shown in tiptop nick, in extremely hard condition. Really liked his beautiful head and expression with neck flowing into good shoulder placement and a sturdy strong back and topline, well angled front and rear, standing on decent legs with neat tight feet. Was made to work hard on the move for the ticket and he just would not put a foot wrong

.2nd JOROBADEN ALDERNITI OF EMIANNA JW (MRS A C HAPPS)

This dog frustrates me, have always liked him and have considered using him as a stud. Sometimes you just get them "made right" as with this dog. Nothing flashy or

outwardly classy, but get your hands on him and he just pleases. His head is classic with appealing eye and expression. Plenty of heart and body depth with good strong top line and strong quarters, giving him all the tools he needs to move around the ring. "Frustration" just wish he were more of a showman and the world would have been his oyster.

1st SPUFFING RIOJA (MRS J WEYMAN)

Interesting class of extremely baby babies all enjoying their day out. None of them would really play the game on the move and they will all change places I'm sure in the future.

Pretty headed little girl with good eye shape, more than pleased with her at this stage in development, and she moved the best to win this class on the day.

2nd CRACKERJANNE CALL ME MAYBE (MRS C WOODBRIDGE)

Eye catching b/w, with a very appealing head and eye expression. Looked smart on the stack with decent angles and strong backend coming. Again difficult to assess on the move, but took her day out in her stride.

1st DONARDEN MADAME BUTTERFLY (MISS N CAMERON)

Really pleased with this puppy, makes a super shape with good bone and reasonable feet coming. Pretty head with appealing eyes and good strong neck on her. Level topline and strong quarters developing which helped her stride out around the ring. Very promising.

2nd TRIMERE TINA TURNER (MRS A CORBETT)

This was one unhappy bunny today, and would not help her owner out at all. She is a very good shape and well put together, albeit she is going up on the leg at the moment. She just about did enough on the move to gain a 2nd place in this class.

3rd KENNAIR MERSEY MAID (MR K & MRS C GREEN)

Junior - Bitch Entries: 5 Absentees: 1

1st MELVERLY BANG TIDY (MR R J SMITH)

Cracking outline on this young mature bitch, with deep body and strength in her angled quarters, which this kennel consistently seems to be producing. Standing on very decent legs with very neat feet. Hope she does not get any stronger with maturity and I would prefer a more feminine head. Very powerful on the move and a bright future awaits her.

2nd TRIMERE TERESA GREEN (MRS A CORBETT)

This lovely girl is still in puppy and has outstanding all round appeal, Has a very pretty well balanced head with correct eye shape and colour. Ample neck flows into her shoulder placement and she stands on good well boned frame with neat feet. Positive movement for one so young and pushed the Puppy Bitch winner hard for Best Bitch Puppy. and Best Puppy In Breed.

1st TRIMERE TOUGH COOKIE (MRS A CORBETT)

Lovely bitch with a well balanced head eye shape and extremely soft expression. Good strong neck flows into her elegant well laid shoulders with strong level topline. Just needs to drop a little more in the body and more spring of ribs that would be an advantage which will come as she matures. On the stack makes a beautiful shape and on the moves she shows off her quality extending well in front and driving out behind, super to watch. Exciting future awaits her.

2nd MELVERLY ISLAY INSPIRED AT LOSSIEDOON (MRS D SCOTT)

Wow, Wow, just goes to show that a spell out of the ring to mature on, sometimes makes all the difference. This is a super classy bitch and she is really getting her act together always been a good shape with a classic beautiful head and dark hazel eye colour, but just did a lot of growing early. Still needs the finishing touches and a little more time but she should have a very bright year next year. Very impressed with her.

1st CALVDALE HEARSAY JW (MR & MRS M CALVERT)

Beautiful, elegant, quality, and that's just for a start. Very pleasing well balanced head with dark hazel coloured eyes, good neck length which flows into good shoulder placement. On the stack I do have a problem with her coat markings which give the impression that she dips. Studied her from both sides, and certainly did not find this on the move, but she was a little lazy not driving out or extending enough on the day, which lost her being considered for the top honours.

2nd TRIMERE TRANQUILISER AT BETHRYN SHCM (MSK & MISS B HOLT)his is another very elegant and classy bitch, with a classic head, flowing neck and good strong back. Although I love the shape of this bitch I would just like a little more substance to her all over and more spring to her ribs, but as you can't always get what you want, am overall very pleased with her, and on the move she covers the ground well and is a delight to watch.

1st SH CH PEASBLOSSOM ARIA (MR & MRS D MITCHELL)

This is just such a classic springer for me. Totally not over or under done in any way. Her head is just soooo beautiful with dark almond shaped eyes, just enough of a neck to give her elegance, into good shoulder placement, enough upper arm, good depth of body, desired amount of body length for me and decent quarters, which gave her the strength to power around that big ring giving her all and believe me she had to pull all the stops out. And she ran her little socks off to be awarded Bitch CC and Best of Breed.

2nd SH CH MELVERLY SOPHISTIQUE (MR R J SMITH)

This quality bitch pushed the CC winner hard to the line. Just preferred the head, eye and expression of the winner, but it was very close. Just a fabulous shape staked with such strength in her back quarters, with powerful reach and drive on the move. Again, as with this breeders younger bitch, would like a tad more feminine expression. but head is balanced with good eye shape. Quality quality quality a well faught battle to be awarded the RBCC,
