I would like to thank the Officers and Committee for their invitation to judge this show, on paper a good entry but the snow kept some exhibitors away, having said that I thoroughly enjoyed this appointment

MPD

1st Walkers Dexbenella Sirius Black, just 6months old B/W, with a lovely dark eye giving him a pleasing expression. He has good length of neck into well placed shoulders. He has nice depth to chest and well ribbed for his age. Short in loin and good rear angulation, stood on good legs and feet presenting a good picture. Good on the move when settled. BPD

PD

1st Walkers Trimere Trapper at Dexbenella, 10 month B/W quite mature for his age with a pleasing head, he has a good length of neck into well placed shoulders, well off for fore chest and ribbing developing nicely. Nice length to loin, flowing into shapely rear quarters and well off for bone, standing on good legs and feet. Moved well

Junior Dog

1st Lawlers Roqfolly Baron Samedi, 15 month old B/W who was pleasing on the eye, he had a good head with a dark eye and lovely expression, being picky here I would like a little more depth to his muzzle. He had a good length of neck into well placed shoulders, good depth of chest and well sprung rib. Nice and short in loin. Good rear angles, in good coat and condition, a little erratic on the move at first but ok when settled

Special Yearling Dog 4 (1)

Different types of dogs in this class so was nitpicking for my first choice  
1st Roqfolly Hugo Drax BWT of 15 months and maturing nicely. Loved the expression on this dog as he has the most wonderful dark eye. Good length of neck with a slight arch leading into good lay back of shoulder. He has good depth to his chest and his spring of rib is developing nicely. He had a level topline stood and on the move, with nice rear quarters. Standing on good legs and feet and in lovely condition.

2nd Ainsley's Ziphill Thunderflash 20 month old LWT who is pleasing to the eye. Different type than my first place, that said he has a lovely kind expression with a nice dark eye. Has lovely clean neck into good shoulder placement and plenty of heart and lung room, plenty of depth and nice short loin. Good rear end with good bend of stifle, movement today was not his best as he seemed to have his silly head

on, hence the placing, however I feel sure on another day places will change. He was presented in tip top condition.

3. Holman's Artycreath Apollo

Novice Dog

1st Roqfolly Baron Samedi

Graduate Dog

1st Furness' Shelcasrie Flint B/W of larger frame than previous class winners. He was in hard condition and in good coat. Stronger in head than I usually like but had good eye colour. Length of neck ok, well placed shoulders and good depth to chest. With well sprung ribs. Short in loin and good rear angulation, well off for bone, moved well. Would prefer a little less weight

2nd Holman's Artycreath Apollo, not quite 2 yrs old and still very much acting the clown on the move, head on finer lines than one but did have a dark eye, and good angles all through, good bone and in good condition

Post Grad

1st Dunsdon & Woodbridge Seaspring Shipwrecked JW, LW with a nice head, dark eye and good ear set. Well off for bone, and nicely balanced, good shoulder placement and well off for rib. Little longer in loin than previous class winners, in good coat and condition

Limit

1st Shovels Tiverstone Kingston Black, BW of nice type. This dog had a lovely head and dark eye with a lovely expression. Good length of neck into well set shoulders, he had plenty of heart and lung room and good depth to chest. Good length to loin into lovely rear quarters. Standing on good legs and feet and was presented in good coat and condition, was pleased to award him R Best Dog.

Open

1st Walkers SH CH Dexbenella Its About Time JW ShCM Have loved this dog from the ringside for a long time and today he didnt disappoint. Top Class dog for me and carrying all the essentials. Has a lovely head balanced throughout with a dark eye. Slightly arched neck into well set shoulders. Has good fore chest and depth and plenty of heart and lung room. Short in loin into lovely rear angulation. Standing on the best of legs and feet, was in tip top coat & condition, pleased to award him Best Dog and Best In Show

2nd Joyce's Shelcasrie Head over Heels ShCM, this dog was unlucky to meet one today, however I feel he has very good points. Lovely head with a dark eye. Good length of neck into well placed shoulders and return of upper arm. Good spring of rib, a little longer in loin than one, good rear angulation and well off for bone. Did not have the coat and finish of one but moved well

Veteran

1st Youngs Shelcasrie Flash ShCM, 8 ½ yrs old this dog was in good hard condition. Nice head with kind eye. Well muscled neck and shoulders ok. Well off for chest and spring of rib, short in loin and moderate rear angulation. Moved well, not wearing his best jacket today

1st, Walkers Dexbenella Black Caviar, 6month B/W with lovely qualities. Built on fine clean lines, had a lovely sweet head with pleasing expression, lovely dark eyes. She had good length of neck into good shoulder placement. Has plenty of time yet to develop her spring of rib but had good depth to chest for a youngster. Nice length to loin and nicely shaped rear quarters. Didn't like the matting so was a little unsure on the move, but when settled moved ok.

## PB

1st Glass' Riselawroad Miss Brodie. Just reaching 12 months L/W had good shape and colour to eyes which gave her a pleasing expression, good length of neck into well placed shoulders, needs to drop a little in chest. Length of loin ok. Good rear angles, although for me I thought a little long in hock, movement a little erratic.

1st Eastwoods' Roqfolly Miss Moneppenny, this 14 month old just oozes femininity and I loved her. Plenty of work in the head and more I feel to come. Lovely length of neck into good lay of shoulder. Well ribbed and good depth to chest. Good length of loin into lovely rear quarters. Stood on the best of legs and feet. In lovely coat and condition, considered her for top honours but felt the dog had the edge this time, her time will come. Best Bitch & RBIS one to watch for the future

2nd Shovels' Tiverstone Royal Snow, B/W who had all the right attributes but was unlucky to meet one today. Lovely expression from dark eyes, but felt she was a little stronger in skull than one. A little longer cast than I usually like. Rear end not over done, Not in her best jacket today and just lacking her furnishings

#### Post Graduate

She has a lovely length of neck into good shoulder placement, excellent ribbing and lovely depth. Nice length of loin into nice quarters. Standing on good legs and feet and in good coat and condition, she was like a coiled spring on the move and tended to race away, when she settled she moved well. Reserve Best Bitch
