Judge Daniel Lambert

What a beautiful sunny day to have the opportunity to judge this breed. Many thanks to the Committee Members for organising and running this prestigious show. I felt honoured to accept this appointment.

Class 2610 VD/B (4 Entries) Abs: 0

1st: 7920 GLENDINNING Ms F Sh Ch Plaiglen Hustle B/w. An easy class winner for me with his overall lovely style and free movement. He has a pleasing soft expression. His neck is of enough length going into decent shoulders he has just enough width for a male but a pleasing amount of bone and lovely feet. When he went around he had good reach and drive but I would like him to have more width behind.

2nd: 7947 WILDSMITH Mrs M & Mr S Trimere Time Trail With Sandiebeck Sh.CM L/w. This male has brilliant show presence for his age. His head is masculine but not as soft as first but he does have enough stop and brow. Overall, he is balanced in his angles that he shows off on the move. I would like him to have more middle piece especially being a mature dog.

1st: 7911 DUNSDON Ms T M Meadowdale Luther Vandross At Seaspring B/w, 6 months old. This boy definitely seems like he has got up to size very quickly and everything else needs to catch up. He has a pleasant colour of eye, a decent length of neck, good spring of rib for his age, decent turn of stifle and well let down hocks. Unfortunately, he did not get it together on the move so I could not see his full potential.

Class 2612 JD (1 Entries) Abs: 0

1st: 7939 TOPLISS Mrs T E Beresford Night Train L/w. This handsome male stood alone in his class but oozed quality. His expression is soft enough for age - you can tell he is younger from his eye colour, but it does not detract. He has strong neck going into well placed shoulders and enough upper arm. His bone and middle piece are very good for his age and he is short coupled enough. His tail set was set on well and with a good turn of stifle. When he went around he had enough reach and drive although he was not particularly enthusiastic he was sound. Very nearly got Reserve Best Male.

Class 2613 PGD (4 Entries) Abs: 1

1st: 7951 WOODBRIDGE Mrs C M Crackerjanne Court Jester L/w. Not a big dog overall but he is masculine enough. With a lovely soft expression, good shaped eyes and enough stop. He is slightly Roman nose, but it does not detract from his expression. He has a strong neck going into well laid shoulders and good upper arm. He is nicely compact with good width and stands on good feet. I like that there is nothing exaggerated about this male when he moved. He was sound and still showed very well even in the heat. RBD.

2nd: 7921 GLENDINNING Ms F Plaiglen Beaters Bstylish B/w. I love the overall shape and style of this dog. He has a good, masculine, but soft expression with well pleased ears. He has just enough neck going into well laid shoulders, enough rib, short couples and moderate turn of stifle. Unfortunately on the move he was very disappointing and would not show or move properly.

Class 2614 LD (3 Entries) Abs: 1

1st: 7940 TOPLISS Mrs T E Beresford Black Tie B/w. What a hunk of a male this boy was. He pleased me in so many ways. He is an up to size dog that carries it very well. He has a strong masculine head but a lovely soft expression with a pleasing dark eye and good work throughout. He has a powerful neck going into good shoulders, enough upper arm, beautiful bone going down to super well padded feet. He was well ribbed back with a brilliant turn of stifle and lovely low set hocks. On the move he was sound with effortless reach and drive. He lacked the spark because of the heat but you could see everything you needed to. BD

2nd: 7936 TAUBMAN Mrs K C Meonstoke Hawthorn L/w. You could tell this was a male straight away from his stature. His head is of decent proportions. He had enough upper arm to match his turn to stifle. He was in good coat condition throughout. On the move he moved with purpose.

Class 2615 OD (2 Entries) Abs: 1

1st: 7905 BOTT, Mr R P & SAVELL Mrs C Sh Ch Art-wave's Standing Ovation For Allenie (Imp L/w. This male has a good presence about himself in the ring. His head has enough drop to his flew and plenty of width to his back skull. His neck is of just enough length leading into decent shoulders and enough upper arm. He is well ribbed back with an ample croup and a moderate turn of stifle. On the move he carries himself well but I would like him to be truer coming and going.

Class 2616 GCD/B (4 Entries) Abs: 1

1st: 7944 WEYMAN Mrs J Spuffing Rioja L/w. This bitch is feminine throughout, she has a kind expression with not a lot of work but enough stop. She has pleasant shoulders, enough width across her ribs and generally is well balanced from front to back. She stands true at both ends with a good tail set that she held well when moving around the ring.

2nd: 7948 WILLIAMS, Mrs J & TOUBLIC Mrs D Cobhay Dazzling Azalea L/w. This bitch has a soft eye of good colour with enough brow. Her angles are moderate on both ends with plenty of body in-between. I feel that this bitch loses out mainly due to her top line that needs to firm up both when stood and on the move. She does however have decent enough bone, ample feet and a proper Springer attitude.

1st: 7922 HAWKES Mr R Meonstoke Elderflower L/w. This bitch has a strong heavy head for her age. I can tell she is not very old from her eye colour. She has a good length of neck however lacks middle piece. She has enough leg overall.

2nd: 7930 SANDERS Mr P Meonstoke Angelica L/w. Similar to first, this bitch is also heavy throughout but lacks in length of leg. Unfortunately her handler was unable to have her stand still or move properly.

Class 2618 PB (3 Entries) Abs: 1

1st: 7932 SHOVEL Mr M J & Mrs J V Tiverstone Petit Muscat B/w. This six month old bitch had a sweet head with good eye colour. Overall she needed to sit into herself better but hopefully she will do with age. She was balanced with good body and when she moved had charisma

2nd: 7926 KIBBY Mrs J Tiverstone Ladys Delight L/w. Six month old bitch lost out to first as her head and expression was not as pleasing. However, she is a balanced puppy. Her handler struggled with her on the move but eventually she did settle and did have an ease to her movement.

Class 2619 JB (4 Entries) Abs: 0

1st: 7941 TOPLISS Mrs T E Beresford Night Class L/w. I loved this bitch for her shape, style and outline. If she had a little more attitude on the day she easily could have been my Best Bitch. Unfortunately, the heat got to her and it showed on the move. She has a feminine head, a lovely shaped eye with good colour, good length of neck going into pleasing shoulders, a nice middle piece, ample bone and lovely feet. She was well coupled with a good tail set and plenty of angle behind. When she moves she is very true but did not have any enthusiasm on the day. RBB.

2nd: 7931 SHERLOCK Mrs T A Tigerrock Cadburys Twix L/w. She unfortunately lacks leg that does not give her the racy look. She has an acceptable shaped eye but it could be darker. Her skull and overall head does not have the balance and proportions that I am looking for. She has a good length of neck, ample shoulders and enough middle piece. Her ribs are well sprung. Where she lacks leg it is also noticeable on the move as when she went round the ring.

Class 2620 PGB (10 Entries) Abs: 2

1st: 7946 WILDSMITH, Mr & Mrs S & M & BROWN E & G Trimere Tickle Me Fancy L/w. This girl showed very well. In her outline she is a little bit neck back and does not flow as I would like. However, she does have a lot of good qualities with her compact body, good amount of leg, nice tight feet and clean movement she was an easy class winner.

2nd: 7908 CORBETT Miss S J Trimere Ticatboo L/w/t. Another bitch that had very similar redeeming features to the first but did not flow on the move as well as first.

Class 2621 LB (7 Entries) Abs: 0

1st: 7912 DUNSDON Ms T M Seaspring Becalmed B/w. Overall a pleasing style. Her head is well proportioned with pleasing eye colour. She has enough length of neck and her angulation is balanced at both ends. She has plenty of middle piece and good bone, is compact with well shaped feet. On the go around she is clean in her action with nothing exaggerated.

2nd: 7933 SHOVEL Mr M J & Mrs J V Tiverstone Bess Pool L/w. This is a stocky bitch right through. Unfortunately, her markings do not help her but she is pleasingly made and moderate with everything in the right place. She moves soundly once she gets going.

Class 2622 OB (1 Entries) Abs: 0

1st: 7909 CORBETT Miss S J Sh Ch Trimere Ticket Maid L/w. This bitch pleases me a lot. As soon as I saw her on the go around there was nothing else to touch her on the day. Her head is well proportioned with enough brow and overall a pleasing expression. Her neck is of enough length and continues into well placed shoulders that are very well matched with her backend. She has good bone, pleasant feet and enough middle piece. On the move she 'eats up' the entire ring working well with her handler and the most beautiful carriage and crisp action. BB, BOB.
