Judge – Mrs Jane Eyeington

I would like to thank the committee of the WKC for the kind invitation to judge at this super show. We were blessed with good weather, ideal for showing. A good size ring and most of all super dogs. Thank you to all the exhibitors who made the long journey to Builth Wells

1st: MITCHELL Mr & Mrs D & J Sh Ch Peasblossom Jester

So full of quality, this liver tri dog is coming up 8 years of age, but seeming more a junior in his demeanour! Who I feel has matured like a fine wine. He has lovely substance all through, yet elegant and flowing in his lines. Balanced head, with a butter wouldn't melt expression, good reach of neck, holding a firm topline both stood and on the move. Well boned limbs and tight feet. He has the desired depth through the body and strong hammy hindquarters. A pleasure to watch on the move, as he covers the ground with an easy action. Put down in super coat and condition. RCC & BVIB & Veteran Group 3

2nd: CHARLTON Miss J Petranella Jubilee Jester

Another liver tri, just 7 years old, a slightly more sturdily and compact in build, presenting a pleasing outline when stood. Masculine head which has a good length to the foreface and kind expression. Depth to the brisket, well boned straight front. Showing a good spring to the ribs and short coupled, good rear angulation. Moving out soundly, not the drive of the winner

1st: HOLMAN Mrs C Roqfolly Jumpin Jack Flash

7 month old L&W dog, very raw, at that growing stage at present, being a little up on the leg, but he has plenty of time on his side. He has a balanced head for his age, which is well proportioned, a good length of neck, holding a firm topline and short coupled. Moderately angulated fore and aft. Moving out steadily, just needing to tighten up

Class PD (2 Entries) Abs: 0

1st: MITCHELL Mr & Mrs D & J Peasblossom Xanti

Classy and stylish 11 month old B&W dog. A real eye catcher and showing himself off with confidence. Like his size, substance and masculinity, he is very balanced with nothing overdone. His outgoing personality shining through, a mischievous glint in his lovely dark almond shape eye. Clean neck of good length flows seamlessly into a firm, well held topline and tail set. He has lovely development for forechest and depth to the brisket. Nicely angulated hindquarters with a good width of thigh. Showing power, reach and drive (and the occasional bounce!) on the move- BPD & BPIB – shortlisted in puppy group

2nd: THOMAS Mr D & Miss G Tigerrock Ocellatus

Spirited 10 month old black tri dog, is of a different stamp to the winner, having a little more range to his outline at present. Providing his handler with a bit of a challenge today. His head has good ratio of backskull to foreface, would like a little more

strength to the foreface. Kind dark eye and gentle expression. Holding a firm topline, needing to develop in body at present. A little distracted on the move, but showing a nice side gait

1st: HAVARD Mrs & Miss P & L Trimere Ted Baker With Annava

Shapely 13 month old liver tri dog, having substance yet elegant in his outline. Still needing to finish maturing into his frame, but he stands foursquare with a good length of leg. Having a nicely moulded head, with eye toning, good length and depth to the muzzle. Pleasing length of neck, well placed shoulders and development of forechest. Holding a firm topline, and short coupled. Strong hindquarters with a good width of thigh and bend of stifle. Maintaining his outline when moving, with a ground covering action

2nd: JENKINSON Mrs K Eastriding Royal Mayfair

Close up to winner, Very smart 14 month old L&W dog. In profile has a lovely outline with clean lines and mature through the body. Masculine head, with good ratios, a little deeper in stop and flew, eye darkening nicely. Long neck, deep in the brisket, holding a firm topline stood and on the move. Well bent stifle. Beautifully presented. Moving out at one with his handler with positive footfalls

Mature B&W dog coming up 3 years of age. Lovely dog on the stack, so balanced and typical. He is shapely, but unexaggerated and compact in outline. With good strength all through but hint of elegance. Quality head, showing balance and masculinity, and nicely chiselled with fluting between those dark, naughty but nice eyes. He is well developed through the body with good ribbing and short coupled. Well boned limbs and super tight feet. Good rounding to the bum. He was true in his footfall, just wishing he had a little more animation on the move

1st: TERNENT Mr G R & Mrs A Hunterheck Turn Back Time

Very much liked this 2 year old B&W dog, medium sized and an honest sort with nothing overdone with lovely body lines. Compact and sturdy in his outline and shown in full bloom. But I feel the best is yet to come for this dog. Pleasing masculine head, well chiselled, dark almond eye with such a gentle expression. Clean through the neck, with a well developed forechest and brisket down to the elbow, would like the ribs to be carried back a fraction more. Firm topline, wide thighs and a good sweep of stifle. He moved with drive and reach, in the mix for top honours

2nd: HAPPS, Mrs A C & MARRIOTT Miss E Clentonian Solomons Seal

4 year old L&W dog from a slightly large mould than winner, but well balanced in his proportions and of sound construction. Maturing nicely with a solid and shapely outline when stood. He has a handsome masculine head, with nice rounding to the backskull and good length of foreface. Clean strong neck flowing into a well held firm topline, lovely depth to the body and well boned limbs. Moderate hindquarters with a good width of thigh. Moving out as one with his handler

Quality class

1st: TOPLISS Mrs T E Sh Ch Beresford Night Train

Super quality 2 year old L&W dog, oozing breed type. Great to see him on top form, today possessing that extra sparkle to clinch the DCC. A lovely dog who has unexaggerated symmetry, so balanced with clean flowing lines. Liked his overall substance and development through the body, a mature male in tip top coat and condition. He has an appealing head, eye darkening, with lovely fluting and chiselling, strength yet refined. Flowing well from nose to tail, well sprung ribs, short coupled with a well rounded bum and width of thigh. Lovely to watch him move with a happy ground covering action. Pleased to award him DCC

2nd: SMITH Mr R J Sh Ch Melverly Top Geezer

Another classy dog, this 4 year old L&W dog is similar in make to winner. He has an impressive stature, a lovely dog from any angle. A compact and upstanding dog in profile, presenting an imposing outline. He has strength all through yet with a hint of elegance and refinement. Having a balanced head piece, with good proportions and lovely length and depth to the foreface, kind oval eye all giving a thoughtful expression. Long, slightly arched neck flowing into a firm topline, deep in the body, short coupled and well boned limbs. Well feathered to finish the picture. On the move he is positive and true, but today seemed to lack to zest of the winners

L&W bitch just come up into veteran, and looking on fine form. Feminine all through with good substance and nicely furnished. She has an appealing head, well proportioned with chiselling under her dark almond eye, giving such a soft and gentle expression. In profile she is a fraction longer in loin, but has a lovely flow to her outline. Good depth to the ribcage and well developed in forechest. Holding a firm topline with strength in her hindquarters which she put to go use on the move, moving with enthusiasm and drive

2nd: REYNOLDS Mr R & Mrs J Mompesson Royal Flush

8 year old bitch, more compact in outline than winner, again with lovely substance and bone. Not as clean cut in the head, a little throaty, but still having that pleading look in her dark eyes. Strong neck flowing into a firm back, good spring to the ribcage, short coupled, and moderate hindquarters. At one with her handler and showing to be true fore and aft

I was taken with this 7 month old L&W bitch, she is so shapely, compact and elegant in her outline yet having enough substance and strength. Pleasing feminine head, with the desired work to it, her almond eye starting to darken, and a gentle expression. Her neck flowing cleaning into well placed shoulders and firm topline. Good depth for her age, well sprung ribs and short coupled. Hindquarters showing a good width of thigh and bend of stifle. Handler just needing to get to grips with her on the move. Showed enough to be true in her action Liver tri bitch and sister to winner, but of a different stamp. Pleasing bitch with super development through the body, more moderate in her angulation fore and aft. Feminine head, good length of neck, firm and well held topline. Depth to the brisket and spring to the ribs. At one with her handler on the move and beautifully behaved compared to her sister! Just needing to tighten a little on the move

Classy and elegant, dark saddled 14 month old L&W bitch. Liked her for her overall size, shape and substance. Her dark markings can be an optical illusion, making her look longer in body than she is. Really pretty head, with width and length to the foreface, well chiselled with a kind eye. Good length of neck, flowing into a firm and well held topline. Standing on well boned limbs and neat feet. Pleasing depth to the ribcage. Stifles are well bent, a little more length to the second thigh. Moving with a ground covering action
